ARBITRATION AND CLASS ACTION WAIVER DISCLOSURE

Arbitration and Class Action Waiver Disclosure: Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie (the "School") requires each student to agree to a pre-dispute arbitration agreement and a class action waiver as a condition of enrollment ("Arbitration Agreement"). The Arbitration Agreement does not, in any way, limit, relinquish, or waive a student's ability to pursue filing a borrower defense claim, pursuant to 34 C.F.R. § 685.206(e) at any time. The Arbitration Agreement does not require that the student participate in arbitration or any internal dispute resolution process offered by the School prior to filing a borrower defense to repayment application with the U.S. Department of Education pursuant to 34 C.F.R. § 685.206(e). Any arbitration, required by the Arbitration Agreement, tolls (pauses) the limitations period for filing a borrower defense to repayment application pursuant to 34 C.F.R. § 685.206(e)(6)(ii) for the length of time that the arbitration proceeding is under way. Any questions about the Arbitration Agreement or a dispute relating to a student's Title IV Federal student loans or to the provision of educational services for which the loans were provided should be directed to the Regional Director, Ashley Burd, in person or by email to erint@vanguard.paulmitchell.edu, or by mail at 3321 Hessmer Ave. 2nd floor, Metairie, LA 70002.

The definition of a class action means a lawsuit or an arbitration proceeding in which one or more parties seeks class treatment. Class action waiver means any agreement or part of an agreement, regardless of its form or structure, between a school, or a party acting on behalf of a school, and a student that relates to the making of a Direct Loan or the provision of educational services for which the student received title IV funding and prevents an individual from filing or participating in a class action that pertains to those services.

The definition of a pre-dispute arbitration agreement means any agreement or part of an agreement, regardless of its form or structure, between a school, or a party acting on behalf of a school, and a student requiring arbitration of any future dispute between the parties relating to the making of a Direct Loan or provision of educational services for which the student received title IV funding.

Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie's Financial Aid Leader will meet with each student during the signing of the enrollment contract and will be available during the student's completion of Entrance Counseling for Title IV Student Loans to help answer any questions a student may have.

ACCEPTANCE

After a prospect has completed the enrollment application process, the enrollment team & Regional Director reviews each applicant and his or her required admissions materials, included the written or recorded entrance essay and personal interview to determine acceptance. Upon the decision of the enrollment team and Regional Director, the applicant receives written notification of acceptance or denial. Note: All applicants must go through the entire enrollment application process (detailed in the "Welcome to your Tour" packet") which includes re-entry students (withdrawals) and transfer students.

RE-ENTRY STUDENTS

Students will only be allowed to re-enroll in the program after 180 days of their withdrawal date and must complete the following:

- ❶ All outstanding tuition, fees, and overtime expenses must be paid in advance or the student must make satisfactory arrangements with the Financial Aid Leader.
- ❷ Students will be contracted at the current tuition hourly rate.
- ❸ If a re-enrolling student has previously used all of their excused absences provided under their original contract, the student will not receive any additional time for excused absences under the new re-enrollment contract.
- ❹ Students are required to purchase a kit if their current kit is not complete. Any missing kit items must be purchased.
- ❺ Pay a \$50.00 re-entry fee and submit a new application.
- ❻ Because tuition fees and costs are subject to change, re-entering students will be contracted according to the current tuition costs and will be required to pay any additional fees if applicable.

The school does not deny re-admission to any service member of the uniformed services for reasons relating to that service.

Re-admission is reserved to the sole discretion of Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie and may require special conditions.

Re-admission for a student requires a personal interview with school administration. The re-entering student will be placed on a 30-day evaluation. During the 30-day evaluation period the student must demonstrate for that period that they can meet the school's minimum attendance and academic requirements for Satisfactory Academic Progress. The student will then be evaluated for Satisfactory Academic Progress at the next scheduled evaluation period to determine their new status. Students who fail to meet the minimum attendance and academic requirements for that 30-day evaluation period may be expelled. Students who re-enter the program are placed in the same Satisfactory Academic Progress standing as when they left.

TRANSFER STUDENTS

Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie's cosmetology program will accept transfer hours from other schools based on an evaluation of the student's comprehension of the course material. A maximum of 790 hours can be accepted for evaluation of the students who transfer from another Paul Mitchell School. A student transferring from a non-Paul Mitchell affiliated school can receive up to, but not guaranteed, 500 hours. Future Professionals transferring from another Paul Mitchell school that have a current and consistent kit with Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie are not required to re-purchase.

Transfer students are responsible to purchase the education kit at an additional cost from the tuition.

A student will be permitted to transfer from Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie and will be credited with the hours as designated by the State Board of Louisiana once all financial obligations are met. Please refer to the Refund Calculation chart. Students who wish to transfer to Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie must furnish transcripts of credits earned in other cosmetology training schools and must secure a permit card from the State Board of Louisiana to qualify for possible credit of hours earned at another school. Previous certified hours will be approved or denied by the Education Department prior to enrollment. Transfer hours will NOT be accepted after the first day of class.

Please note that students transferring to another school may not be able to transfer all the hours they earned at Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie; the number of transferable hours depends on the policy of the receiving school.

The Education Department will conduct a Technical Assessment to determine how many hours will be accepted for transfers from another Cosmetology School.

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory academic progress (SAP) evaluation periods are based on actual contracted hours at the institution.

In extraordinary circumstances, the school may allow a student to transfer in more hours from a non-Paul Mitchell School, if the student is enrolling from a school that has suddenly closed without notice. In these instances, the school will evaluate the prospective student and credit them with the number of hours related to their course knowledge.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in federal financial aid. Please refer to the following refund policy for specific consumer information pursuant to the federal financial aid program.

The Federal Return of Title IV funds formula (R2T4) dictates the amount of Federal Title IV aid that must be returned to the federal government by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws at any point during the payment period. If a student did not start or begin attendance at the school, the R2T4 formula does not apply.

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Financial Aid Leader of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Financial Aid Leader must begin the withdrawal process.

Unofficial Withdrawal Process: For unofficial withdrawals a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. The date of determination is 14 days after they cease attendance.

In both cases the last day of attendance will be used in the return to Title IV calculation.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, and Direct Loans or Direct PLUS Loans during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what the school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

Post Withdrawal Disbursement: If a student receives less Title IV funds than the amount earned, the school will offer the student a disbursement of the earned aid that was not received at the time of their withdrawal which is called a post-withdrawal disbursement. Post-withdrawal disbursements will be made from Pell Grant funds first, if the student is eligible. If there are current educational costs still due the school at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be credited to the student's account. Any remaining Pell funds must be released to the student without the student having to take any action. Any federal loan program funds due in a post-withdrawal disbursement must be offered to the student and the school must receive the student's authorization before crediting their account. The authorization is required to be sent to the student within 30 days of the date the school determined the student's last date of attendance.

Credit Balance: If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 calculation was performed. The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

- ❶ Unsubsidized Direct Loan
- ❷ Subsidized Direct Loan
- ❸ Direct PLUS Loan (Parent)
- ❹ Federal Pell Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. (unless the school uses less days based on a state, accrediting agency or institutional requirement)

The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

Overpayment of Title IV, HEA Funds — Any amount of unearned grant funds that you must return is called overpayment. The amount of grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. A student who owes an overpayment remains eligible for Title IV, HEA program funds through and beyond the earlier of 45 days from the date the school sends a notification to the student of overpayment, or 45 days from the date the school was required to notify the student of the overpayment if, during those 45 days the student:

- ❶ Repays the overpayment in full to the school;
- ❷ Enters into a repayment agreement with the school in accordance with repayment arrangements satisfactory to the school; or
- ❸ Signs a repayment agreement with the Department, which will include terms that permit a student to repay the overpayment while maintain his or her eligibility for Title IV, HEA program funds.

Within 30 days of the date of the school's determination that the student withdrew, an institution must send a notice to any student who owes a Title IV, HEA grant overpayment as a result of the student's withdrawal from the school in order to recover the overpayment.

If the student does not repay the overpayment in full to the school, or enter a repayment agreement with the school or the Department within the earlier of 45 days from the date the school sends notification to the student of overpayment, or 45 days from the date the school was required to notify the student of the overpayment.

At any time the student fails to meet the terms of the repayment agreement with the school:

- ❶ The student chooses to enter into a repayment agreement with the Department.
- ❷ The student who owes an overpayment is ineligible for Title IV HEA program funds.

You must make arrangement with the school or Department of Education to return the amount of unearned grant funds.

PREFERRED LENDER LIST AND PRIVATE EDUCATION LOAN DISCLOSURES

Our school does not have a list of preferred lenders and we do not offer private education loans.

SPECIAL PROVISIONS FOR BOOKS AND SUPPLIES

In order to academically succeed in a program, a Federal Pell Grant student must have the ability to purchase books and supplies at the beginning of the academic period. By the seventh day of a payment period, the school will provide a way for a student who is eligible for a Federal Pell Grant to obtain or purchase the books and supplies required for the payment period.

The school will consider all the FSA funds a student is eligible to receive at the time it makes the determination, but the school need not consider aid from non-FSA sources.

The amount the school must provide is the lesser of the presumed credit balance or the amount determined by the school that the student needs to obtain the books and supplies. In determining the required amount, the school may use the actual costs of books and supplies or the allowance for those materials used in estimating the student's cost of attendance for the period. A student may decline to participate in this process to obtain or purchase books and supplies, if they so choose.

STUDENT FINANCIAL AID RELEASE

The undersigned agrees that Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie does not guarantee the student loan process in any respect. A Federal Parent Plus loan requires a credit check and is based on the parent's credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent's credit history. Nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

Federal loan information is available in the National Student Loan Database System (NSLDS) and will be accessible by Servicers and Schools, as authorized.

POLICY FOR VERIFICATION OF TITLE IV FUNDING

The school has policies and procedures that it follows for verification of Title IV funding. Verification is a requirement by the U.S. Department of Education. Students are randomly selected to provide additional information. The school provides students with a verification form so they can collect the necessary information. The school gives the student a 30-day deadline to return the form to the financial office with verification items attached. If verification documents are not submitted by the due date, the student will be placed on a monthly cash pay status until verification is completed. FAME handles our student overpayments and alerts the school so it can make changes to the award packet, which is reported to Common Origination and Disbursement (COD) for the Department of Education.

ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION

Students will be given written notice advising them that a conviction of illegal drugs, of any offense, during an enrollment period for which the student was receiving Title IV financial aid will result in the loss of eligibility for any Title IV per HEA Sec. 484(r)(1) and 20 U.S.C. 1091(r)(1). Students whose eligibility has been suspended due to a drug conviction may resume eligibility if they successfully pass two (2) unannounced drug tests conducted by a drug rehabilitation program that complies with criteria established under HEA Sec. 484(r)(2) (20 U.S.C. 1091(r)(2)).

CREDIT BALANCE POLICY

If Title IV disbursements result in a credit balance on the student's account, the Financial Aid office will notify the student. The student has the option to have the school hold the credit balance and can complete an authorization for the school to hold the funds by obtaining an authorization form from the Financial Aid Department. If the student does not want the school to hold their funds, all credit balance disbursements and refunds due to funding source will be processed within 14 days of the credit balance appearing on the student account. Regardless of the chosen option the school will clear all credit balances on a student account by the end of the award year.

MAKEUP WORK

Students must complete all required assignments and tests. In event of an absence, illness, death, with proper documentation the school will accommodate students, makeup test days and worksheet periods are scheduled. Students must complete makeup work at the scheduled time. A Future Professional has one week from the day of absence to submit proper documentation. Makeup tests will be provided during the regular testing period.

SATISFACTORY ACADEMIC PROGRESS POLICY

Students enrolled in programs approved by NACCAS must meet formal standards that measure their satisfactory progress toward graduation. The Satisfactory Academic Progress Policy is provided to all students prior to enrollment. The policy is consistently applied to all applicable students. *Evaluations are maintained in the student file.* The school will develop an academic and/or attendance plan to address the specific needs of those students who fail to meet the academic and/or attendance requirements at specific SAP evaluation points. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

- ① A minimum cumulative theory grade level of 80%.
- ② A minimum cumulative academic level of 80% on Clinic Classroom Evaluation completion. *
- ③ To determine whether a student meets the academic requirements for Satisfactory Academic Progress, theory and practical grades are averaged together to give a minimum cumulative academic grade of 80%.
- ④ A minimum cumulative attendance level of 80% of scheduled hours**

**To meet the state practical requirements for Graduation, students must eventually complete all Clinic Classroom Evaluations and Classroom Worksheets. In order to Graduate from the program students need to be at a minimum cumulative academic level of 80% in the following: Theory, Clinic Classroom Evaluations, Practical Worksheets, Classroom Participation & Finals.*

***To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 80% and/or who has not successfully completed at least a cumulative rate of attendance of 80% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that resulted in a status of Financial Aid Probation.

COMPLETION OF COURSE WITHIN DESIGNATED PERIOD OF TIME

The state of Louisiana requires 1500 clock hours for the cosmetology course. Students are expected to complete the course in no more than 125% of the program length. If a cosmetology student is NEVER absent, he/she should complete the course within 43 weeks for a 5 day full time (35 hours) student, 55 weeks for a 5 day full time (27.5 hours) student, and 60 weeks for a night school student.

The state of Louisiana requires 500 clock hours for the Cosmetology Instructor course, which the school exceeds by 100 clock hours. Students are expected to complete the course in no more than 125% of the program length. If a cosmetology instructor student is NEVER absent, he/she should complete the course within 18 weeks for a 5 day full time student.

****All Makeup Time for all schedules listed above must be approved through the Future Professional Advisor. Make up time is not permitted for the new schedules.****

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 80% of the scheduled hours.

| COURSE | WEEKS | MAXIMUM TIME FRAME |
|---|----------|--------------------|
| Cosmetology (5 day, Full Time Day, 35 hours per week) | 43 Weeks | 54 Weeks |
| Cosmetology (5 day, Full Time Day, 27.5 hours per week) | 55 Weeks | 68 Weeks |
| Cosmetology (5 day, Part Time Night, 25 hours per week) | 60 weeks | 75 Weeks |
| Cosmetology Instructor (5 day, Full Time Day, 27.5 hours per week) | 22 Weeks | 27 Weeks |

The maximum time frame allowed for transfer students who need less than full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs, if applicable, but they will be able to complete the program on a cash pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completes are considered part of the Satisfactory Academic Progress calculation. For students with a disability that appeal, the student's disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

If the student needs to take off more time than allotted in the contract or more than 14 consecutive calendar days, he/she must take a leave of absence or withdraw and reenroll when ready to return. If a student needs more than 14 consecutive calendar days of time off due to pregnancy/new mother, and/or military duty then the student should take a leave of absence. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

MAJORS, DEGREES, SECOND DEGREE, OR SUMMER TERMS

Majors, degrees, second degrees, or summer terms does not apply to Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie.

LEAVE OF ABSENCE POLICY

A Leave of Absence (LOA) is a temporary interruption in a Student's program of study. LOA refers to the specific time period during an ongoing program when a Student is not in academic attendance. Leaves of Absence can be granted in cases of emergency or medical problems with doctor notification, which cause attendance to be impossible or impractical. Leaves of Absence will be granted in the case of pregnancy or new mothers. A leave of absence will be permitted with a letter from the student's doctor. If a student is called into active duty for the military the school will grant a leave of absence. These are the only times leave of absences are granted.

In order to be placed on Leave of Absence, the Student must:

- ❶ Complete and sign the school's Leave of Absence Request Form in advance, unless unforeseen circumstances prevent the student from doing so.
- ❷ Must state the reason for the Leave of Absence (LOA) request
- ❸ Be approved by the Financial Aid Office and Future Professional Advisor
- ❹ Leaves must be a minimum of 14 days and a maximum of 60 days and must not exceed a total of 180 days in a 12-month period.

A student on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

Student's may not arbitrarily decide to "take" a leave of absence.

There will be no additional charges for a LOA. If the student fails to return or contact the School Financial Aid Leader on the documented return date, the Student will be considered to have withdrawn from school as of that date the student began the LOA. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

For federal aid recipients, the Student's payment period is suspended during the LOA and no federal financial aid will be disbursed to Student while on a Leave of Absence. Upon the Student's return, the Student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. If the Student is a Title IV loan recipient, the Student will be informed of the effects that the student's failure to return from a leave may have on the Student's loan repayment terms, including the expiration of the Student's grace period. A contract addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of days.

In special circumstances, the school may grant a leave of absence to a student in the case of an emergency, such as a car accident or other medical issue that would prevent the student from requesting the leave of absence prior to the incident occurring. In these cases, the school will collect the request from the student at a later date and document the reason for the granting of the leave after the incident has occurred. The beginning date of the leave of absence will be based on the first date it has been determined that the student cannot come to class due to the accident or medical situation

In order to grant a Leave of Absence there must be the expectation that the student will be returning to school.

A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no refund calculation is required at that time.

Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties to reflect the new contract end date.

STUDENT EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when students reach:

| Program Name | 1st SAP Evaluation | 2nd SAP Evaluation | 3rd SAP Evaluation |
|------------------------|--------------------|--------------------|--------------------|
| Cosmetology | 450 actual hours | 900 actual hours | 1200 actual hours |
| Cosmetology Instructor | 300 actual hours | N/A | N/A |

The first evaluation will occur no later than the midpoint of the academic year. The SAP evaluations are printed within 7 days of the student reaching the evaluation points.

The following grading system is used to evaluate a student's academic ability:

- 1 Examinations are given in all subjects.
- 2 Grades and attendance (Satisfactory Academic Progress) records are reviewed and signed by the student and maintained in the student's financial file. The Satisfactory Academic Progress will reflect if the student evaluation will impact the student's eligibility for Financial Aid. The student may request to review their financial aid files from the Financial Aid Leader or Director.

The following grading scale is used for theory progress:

A = 94 – 100% B = 87 – 93% C = 80 – 86% Failing = Below 80%

Practical and clinical work is graded by a signature on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade which means all elements of the practical grading criteria were met. No signature indicates a failing score which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor. Students must complete all practical skills on the monthly practical worksheet. A student will be graded based on the progress achieved on the completion of the practical worksheet. Students must make up failed or missed tests and incomplete assignments.

**The school uses a 900-hour academic year for Title IV purposes.*

NONCREDIT, REMEDIAL COURSE, AND REPETITIONS

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

WARNING

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and considered to be making satisfactory academic progress during the warning period which is until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, he/she may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet the minimum requirements for attendance and academic progress after the Warning period, the student will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal.

Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time frame established for the individual student. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS for those who qualify

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

APPEAL PROCEDURE

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school's Financial Aid Leader on the designated schools Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student's disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid may be reinstated, if applicable.

If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, for example 450 to 900 actual hours evaluations; and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be expelled.

This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students.

EXPULSION

The basis for expulsion involves violations of policies, procedures, and behavioral standards as outlined in the students Enrollment Agreement, Curriculum, Catalog, and standards expressed through all on-campus signage. Violations are recorded via verbal Coaching Sessions and/or The Future Professional Advisory Form. While the seventh written advisory triggers automatic expulsion, a student may be expelled at any time depending on a combination of Coaching Sessions or the severity of the violation.

EXPULSION APPEAL PROCESS

A student may appeal their expulsion under most circumstances.

The process:

- ❶ **FILING:** A student has five (5) calendar days from the date of expulsion to file an appeal. The appeal is to be addressed and delivered to the schools Director.
- ❷ **APPEAL:** An appeal is a written plea for expulsion reversal. The appeal should include relevant supporting documentation.
- ❸ **TIME FRAME:** An appeal review will occur within (15) business days from receipt of the written appeal.
- ❹ **APPEAL REVIEW:** The Appeals Committee will consist of a minimum of three, maximum of five qualified management members from another Vanguard campus; Director (owner representative), Education Leader (faculty supervisor), Future Professional Advisor (guidance counselor), Controller (compliance officer), and Owner(s). The Appeals Committee may or may not call upon the student/guardian for face-to-face interview.
- ❺ **JUDGEMENT:** The outcome of the appeal will be communicated to the student, in writing, within (3) business days of the committee's decision. The Appeals Committee decision will be final.

A student may not appeal their expulsion under the following circumstance(s):

- ❶ Gross misconduct, which includes but is not limited to reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, threats, and/or bullying.

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

- ① Review their education records,
- ② Seek to amend inaccurate information in their records, and
- ③ Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request. Copies of all records can be requested at \$0.20 per page.

General Release of Information

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student's education records. The written consent each time must:

- ① State the purpose of the disclosure,
- ② Specify the records that may be disclosed,
- ③ Identify the party or class of parties to whom the disclosure may be made, and
- ④ Be signed and dated.

FERPA Disclosures to Parents

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent minor student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent minor as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student, without needing the student's consent.

A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

Release of Information to Regulatory Agencies

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student's information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

Disclosures in Response to Subpoenas or Court Orders

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

Disclosures for Other Reasons

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

Directory Information

Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie does not publish "directory information" on any student.

Record Maintenance

All requests for releases of information are maintained in the student's file as long as the educational records themselves are kept. Student records are maintained for a minimum of six (6) years for withdrawal students; transcripts of graduates are kept indefinitely.

Amendment to Student Records

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202

NACCAS' 2018 Annual Report is derived from a single cohort of students – those scheduled to graduate in 2018. NACCAS' graduation, placement and licensure definitions are described below:

Graduation: Based on all students scheduled to graduate from the program in 2018. The scheduled graduation date is a student's most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

Licensure: Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2019. A student in the licensure cohort may count as a "pass" if they pass all required portions of the examination prior to November 30, 2019.

Placement: Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2019. Students may be excluded from the calculation if they fall into one of the categories listed. In 2018, the school excluded the following number of students* based on each of the following categories:

- ① The graduate is deceased 0
- ② The graduate is permanently disabled 0
- ③ The graduate is deployed for military service/duty 0
- ④ The graduate studied under a student visa and is ineligible for employment in the U.S. 0
- ⑤ The graduate continued his/her education at an institution under the same ownership (e.g., a graduate of your cosmetology program subsequently enrolled in the instructor program of an institution under the same ownership) 0

Total Excluded 0

*If fewer than ten students were excluded for any one category, the disclosure will only include the total of all excluded students if that total is at least ten. If the calculation excluded fewer than a total of ten students the institution will state that it excluded students on the basis of each condition, and note that the number of total exclusions were fewer than 10 and therefore cannot be disclosed.

Attendance is calculated using a computerized time clock and does not round hours. To ensure proper credit for clock hours, full time students are required to clock in/out four (4) times a day: when they arrive at school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. If a student ever fails to clock in or out for their schedule on the Student Time Clock a Missed Punch Form must be filled out, signed off & submitted properly or the student will not receive any hours. If the student wishes to dispute any hours they feel earned, the student must provide documentation to verify attendance on the missing time form. If the student must attend additional program hours beyond his or her contracted end date due to not meeting a 90% attendance average or to complete academic graduation requirements, the student will be charged an additional \$12.00 for each hour scheduled to complete after the contracted end date is reached. **A Future Professional is expected to maintain 90 attendance month to month.**

Miss-use of the time clock resulting in the necessary submission of a "Missed Punch Time Form" more than three times in a calendar month will cause the student to be placed in the Future Professional Advisory (Forms submitted due to "Verification Failure" at the time-clock or to a skipped lunch while providing a guest service will not count towards a Future Professional Advisory).
 - b. Non-submission of a "Missed Punch Time Form" for ANY reason when punches are missed will cause the student to receive no clocked hours for the day.

If a future professional receives two (2) more coaching sessions after re-admission from a five (5) day suspension, the future professional's enrollment may be permanently expelled. A future professional may be expelled without prior coaching sessions for improper and/or immoral conduct. Refer to the school Future Professional Advisory form.

When monitoring future professionals for unofficial withdrawals, the school is required to count any days that a future professional was out of school on suspension as a part of the 14 consecutive days of non-attendance used to determine whether the future professional will be returning to school.

POLICIES AND PROCEDURES FOR STUDENTS WITH DISABILITIES

- ② **Grievance Procedures for Students who have Complaints on the Basis of Disability**

① **Accommodation Procedures for Students with Disabilities**

Non-Discrimination Policy — It is the policy of Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act which are Federal laws that prohibit discrimination on the basis of disability. Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie does not discriminate on the basis of disability against a qualified person with a disability in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a student's participation in a program of Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie. This applies to all students and applicants for admission to The School. Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie will provide reasonable accommodations to students with disabilities.

Definition of an Individual with a Disability — An *individual with a disability* is a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual. These persons are protected by Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA). Individuals with a record of such an impairment and individuals who are regarded as having such an impairment are also protected by these Federal laws. The definition of "disability" in Section 504 and the ADA should be interpreted to allow for broad coverage.

The phrase *physical impairment* means a physiological disorder or condition, a cosmetic disfigurement, or an anatomical loss, that affects one or more of the following body systems: neurological; musculoskeletal; special sense organs (which would include speech organs that are not respiratory such as vocal cords, soft palate, tongue, etc.); respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine. Examples include, but are not limited to, orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, HIV disease (symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

The phrase *mental impairment* means any mental or psychological disorder, including but not limited to, mental retardation, organic brain syndrome, emotional or mental illness, specific learning disabilities, post-traumatic stress disorder, depression and bi-polar disorder. The phrase substantially limits must be interpreted without regard to the ameliorative effects of mitigating measures, other than ordinary eyeglasses or contact lenses. Mitigating measures are things like medications, prosthetic devices, assistive devices, or learned behavioral or adaptive neurological modifications that an individual may use to eliminate or reduce the effects of an impairment. These measures cannot be considered when determining whether a person has a substantially limiting impairment. An impairment that is episodic or in remission is a disability if, when in an active phase, it would substantially limit a major life activity. For example, a student with bipolar disorder would be covered if, during manic or depressive episodes, the student is substantially limited in a major life activity (e.g., thinking, concentrating, neurological function, or brain function).

The phrase *major life activities* means functions such as caring for one's self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. Major life activities also includes major bodily functions such as functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

The School's Responsibilities to Students with Disabilities

The School must provide *academic adjustments*, *auxiliary aids* and *reasonable accommodations* to students with disabilities, that are necessary to ensure students are not denied the benefits of, or excluded from participation in, The School's program. The School must make modifications to its academic requirements that are necessary to ensure that the requirements do not discriminate against students with disabilities. The School must ensure that it provides physical access to students with disabilities. It is also the responsibility of Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie to permit students with disabilities to use service dogs.

The person responsible for implementing these responsibilities at Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie is the enrollment team: admissions@vanguard.paulmitchell.edu or your Future Professional Advisor, Ashley Burd: ashleyb@vanguard.paulmitchell.edu; 3321 Hessmer Ave. 2nd floor, Metairie, La 70002

When a student informs a School staff member that the student is disabled, or needs accommodations or assistance due to disability, the staff member will refer the Student to The School's ADA Compliance Coordinator.

Procedures for Students and The School

Documentation of disability by students — Students with disabilities who wish to request reasonable accommodations (including academic adjustments, auxiliary aids, or modifications) must contact the ADA Compliance Coordinator named above for their campus. Students must provide documentation of disability from an appropriate professional, which depends on the nature of the disability. For example, a student with a psychological disability should provide documentation from a psychologist, psychiatrist or social worker. The documentation submitted must be within the last 12 months, if older than 12 months the student must provide current documentation from the appropriate professional.

This documentation may be the student's existing medical records, or reports created by the student's medical provider or an appropriate professional who conducts an assessment of the student. It may be documentation from the student's past educational records such as reports from teachers or school psychologists, or records that show the student's educational history, disability assessment, and the accommodations the student previously received. It may be records from the state department of rehabilitation or the U.S. Department of Veterans Affairs. Documentation should be current and relevant, but that does not mean that a recent report or record is needed in all cases. Some disabilities are stable lifelong conditions and historic documentation will be sufficient. Some disabilities are readily apparent and observable and thus little or no documentation will be needed.

The documentation of disability is kept at all times in a locked, private file at The School. To protect privacy, direct access to this documentation is by written consent only. The ADA Compliance Coordinator will determine what information needs to be shared with Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie staff and Learning Leaders, on an "as needed basis," in order to facilitate academic accommodations or other services.

Student requests for accommodations and interactive discussion with ADA Compliance Coordinator — Students who plan to request accommodations should contact the ADA Compliance Coordinator promptly, so there is time for the Coordinator to review the student's documentation and discuss accommodations with the student before the student begins the class or program for which the accommodation is being requested. When a student contacts the Coordinator, the Coordinator will keep a record of the dates and contacts with the student, including a record of the accommodations requested by the student. Students who have questions about the type of documentation they need to provide should contact the Coordinator to discuss this.

The student and the ADA Compliance Coordinator will discuss how the student's impairment impacts the student, how the student expects the impairment to impact the student in The School's program, the types of accommodations the student has previously received (if any), and the accommodations being requested by the student from The School. The Coordinator and the student should discuss accommodations needed during all phases of the program (Core, Adaptive and Creative), and for classroom instruction, skills based instruction and skills practice.

The documentation (or observation) must show the nature of the student's disability and how it limits a major life activity. The accommodations requested by the student should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the student must discuss and determine what the student's limitations are, and how they can be accommodated.

Here are some examples:

- A student with an orthopedic disability may need cushioned floor mats and scheduled times to sit down. These students may also need particular kinds of chairs.
- A student with a learning disability or attention deficit disorder may need extra time to take tests, such as ninety minutes to take a test instead of the sixty minutes allowed to other students. These students may need to take their tests in a location that is quiet and has no distractions, such as an office rather than the classroom.
- A student with a learning disability or psychological disability may need a note taker, a copy of the instructor's notes or presentation, or to use a tape recorder during instruction.
- A student with post-traumatic stress disorder or an anxiety disorder may need to take periodic leaves of absence, or may need to structure their program so that it is scheduled over a longer period of time than usual. These students may need to take breaks in a quiet room during skills practice.
- A student with a hearing impairment may need instructors to use voice amplification systems, or may need the School to provide a sign language interpreter.
- A student with diabetes may need periodic breaks to check his or her blood sugar level.

Decision about accommodations, and ensuring implementation of accommodations — The ADA Compliance Coordinator will decide the accommodations to be provided to the student. The Coordinator will consider any past accommodations that have been effective for the student, and will give primary consideration to the type of accommodation requested by the student. Alternate accommodations may be provided if there is an alternative accommodation that would be equally effective for the student.

The Coordinator will make a decision no later than two weeks after the student states the request for an accommodation. If the student does not submit documentation of a disability at the time the student requests an accommodation, the Coordinator will make a decision no later than two weeks after the student provides the documentation.

The Coordinator will list the approved accommodations in writing and provide this to the student. The Coordinator will inform the appropriate Learning Leaders and school staff of the accommodations they are responsible for providing to the student, how to provide the accommodations, and when to provide the accommodations. The Coordinator will keep a written record of these contacts about the student's accommodations. The Coordinator will verify that the accommodations are being implemented for the student through direct observation, report by the student, and/or documentation from The School staff. If the student informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene with relevant staff members to ensure the accommodation is provided to the student.

After accommodations have been approved for a student, the Coordinator will make an appointment with the student for a time when the student's program is expected to change. The purpose of the appointment is to determine whether the student's accommodations should be changed when the student's program phase changes, or the type of instruction changes.

Additional factors — The School is not obligated to provide accommodations that would result in a fundamental alteration of The School's program. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the student that would not fundamentally alter the program. The Coordinator will offer the alternate accommodation to the student.

The School is not obligated to provide accommodations that would result in an undue financial or administrative burden on The School. If the Coordinator decides that a requested accommodation might impose such a burden, the Coordinator will discuss the issue with The School owner, who will take into account the overall financial resources of The School. The School owner will make the final decision, in accord with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. If The School owner determines that the requested accommodation would be an undue burden, the Coordinator will promptly search for an equally effective alternate accommodation for the student and offer the alternate accommodation to the student.

Appeals by Students

A student may appeal any accommodation decision made by the ADA Compliance Coordinator if the student disagrees with the decision. Here are some examples: A student may appeal the Coordinator's decision to deny a requested accommodation. A student may appeal a decision by the Coordinator to provide an alternate accommodation rather than the specific accommodation requested by a student. A student may appeal a decision by the Coordinator that the student has not presented sufficient documentation to support the requested accommodation. A student may also file an appeal when a school staff member fails to provide an approved accommodation, and the Coordinator has not effectively addressed the situation.

When a student wishes to file an appeal, the student must notify Ashley Burd; Metairie Director; 3321 Hessmer Ave. 2nd floor, Metairie, LA 70002; (504) 212-3321; ashleyb@vanguard.paulmitchell.edu. The student must explain his/her reasons for disagreeing with the Coordinator's decision, or explain how the student's accommodation is not being implemented, and submit any relevant documentation.

Within five calendar days of receiving a student's appeal the Director will meet with the student and the Coordinator to discuss the issues presented by the student's appeal. If appropriate, the Director will also discuss the issues with other School staff members.

When a student appeals a decision made by the Coordinator, the Director will determine whether the Coordinator's decision should be revised or remain the same. If the decision is revised, the Director will ensure that the revised decision is implemented.

When a student files an appeal on the basis that an approved accommodation is not being implemented, the Director will determine whether the accommodation is being fully implemented, and if it is not, ensure that the accommodation is implemented. The Director will inform the student of the decision in writing no later than fourteen days after receiving the student's appeal.

Training and Mediation Responsibilities of the ADA Compliance Coordinator

The ADA Compliance Coordinator at each campus will deliver disability training sessions for all campus staff members at least once each calendar year. In these training sessions the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act as they apply to The School. The Coordinator will address: The School's responsibility to provide accommodations to students with disabilities; how to appropriately interact with students with particular kinds of disabilities; how to go about implementing accommodations that the Coordinator has approved for students; how to support students with disabilities in The School's programs; that students with disabilities cannot be penalized for using approved accommodations. The Coordinator will keep a record of each training session.

The Coordinator may also provide trainings for students who wish to learn about The School's process for providing accommodations, or about The School's grievance procedures.

To help ensure that future campus staff members and students are aware of The School's policies, the Coordinator will make sure that the Accommodations Procedures and the Grievance Procedures are continually posted at the campus.

The Coordinator will assist students with disabilities who have concerns about implementation of their accommodations or their treatment by The School staff members or other students. At the request of a student, the Coordinator will informally mediate or attempt to resolve issues related to the student's disability. If this informal process does not resolve the student's concerns, the student may file a grievance as described in Section II below.

② Grievance Procedures for Students who have Complaints on the Basis of Disability

Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie is responsible for providing a grievance procedure to students who feel they have been discriminated against on the basis of disability. The grievance procedure provides students the opportunity to file a complaint. The School then has the responsibility to objectively investigate the allegations in the complaint and determine whether the student has been discriminated against. If The School determines that discrimination occurred, The School must take appropriate steps to correct the discrimination and prevent it from reoccurring.

Grievance complaints — A student may file a grievance if the student feels he or she has been discriminated against because the student is disabled, or because the student is regarded as being disabled, or because the student has a record of being disabled. A student may also file a grievance if the student feels that he or she has been retaliated against for advocacy based on disability. Here are some examples of discrimination:

- An instructor or other students refer to the student in a derogatory way related to the student's disability.
- An instructor generally refers to students with particular types of disability in a derogatory way.
- Other students refuse to work with the student because the student is disabled.
- A School staff member refuses to provide a service to the student that the staff member provides to other students.
- A school staff member takes a negative action toward the student after the student asked for accommodations for a disability.
- A guest presenter at The School makes derogatory statements about students with disabilities, or states that students with disabilities can never be employed in the presenter's field.
- A student's request for accommodation was denied by The School, or an instructor did not implement an accommodation for the student that was approved by The School.

A student must file a grievance complaint within 90 days of the date the discriminatory act occurred, or within 90 days of the end of an informal attempt to resolve the complaint, whichever is later. The complaint must be written. In the complaint, the student must describe what happened and the dates the acts took place, and state who was involved. The student should explain why the student believes the acts were taken based on disability. The student should describe or provide copies of any relevant documents or emails, if available.

A student may ask the Campus ADA Compliance Coordinator to try and informally resolve the student's complaint before the student files a written complaint. However, the student is not required to try informal resolution before filing a written complaint.

The complaint must be sent to Ashley Burd; Metairie Director; 3321 Hessmer Ave. 2nd floor, Metairie, LA 70002; (504) 212-3321; ashleyb@vanguard.paulmitchell.edu.

Investigation of the Complaint — When the Director receives a written complaint, the Director will immediately begin an objective investigation. The School has the right to contract with an independent investigator to conduct any investigation. Within seven days, the Director will discuss the allegations in the complaint with the student, and obtain any needed additional information from the student. The Director will obtain from the student the names of any persons the student believes will have relevant information. The Director will gather all information necessary to determine what took place. To do so, the Director will interview any School staff members or students who engaged in the actions or may have witnessed the actions that the student is complaining about. The Director will interview persons that the student stated may have relevant information. The Director will gather any relevant documents such as emails, student work or instructor's records. During the investigation, the Director will disclose the complaint, and confidential information about the student, only to the extent necessary to investigate the allegations of the complaint.

After reviewing all the evidence gathered, the Director will determine whether the student was treated differently from other students based on disability; or whether the student was harassed based on disability; or whether the student was retaliated against because the student advocated on the basis of disability; or whether the student was denied an accommodation that The School should have provided to the student.

Written Decision — The Director will provide the student with a written decision no later than sixty days after the date the student filed the complaint. The decision will state the determination reached by the Director at the conclusion of the investigation, and the reasons the Director reached that determination. If the Director concludes that the student was discriminated against on the basis of disability, the decision will state the types of remedial action that The School has taken or will take to correct the discrimination. The decision will also state how The School will prevent the discriminatory acts from occurring again.

Appeals by Students — If the student who filed the complaint disagrees with the decision made by the Director, or disagrees with the remedial action specified, the student may appeal the decision to The School Owner.

The appeal must be sent to Ashley Burd; Metairie Director; 3321 Hessmer Ave. 2nd floor, Metairie, LA 70002; (504) 212-3321; ashleyb@vanguard.paulmitchell.edu.

The appeal must state the specific reasons that the student disagrees with the decision. Appeals must be filed no later than thirty days after the student receives the written decision from the Director.

The Owner will review all the information provided by the student in the appeal, the decision by the Director, the interview records made by the Director and the documents gathered by the Director. The Owner will issue a written decision to the student within fourteen days after receiving the student's appeal. The Owner will determine whether the decision should be revised or remain the same. If the Owner determines that the decision should be revised, the Owner will ensure that any necessary changes in the remedies are implemented.

STUDENT CONSUMER INFORMATION

Provisions of the Higher Education Amendment of 1976 require that effective July 1, 1977, each post-secondary institution which receives Federal Financial Aid funds must make certain student consumer information available to any enrolled or prospective student who request such information.

This section compiled by the Financial Aid office staff attempts to meet the requirements.

The school is approved for and participates in Federal PELL Grants, Subsidized Direct loans, Unsubsidized Direct Loans, and Parent PLUS loans. Such programs help to defray the costs of attending school for those students eligible for financial aid consideration.

Financial aid is any mechanism that reduces out of pocket costs that the students and/or parents must pay to obtain a specific post-secondary education. Put differently, financial aid is monies made available to help students meet the cost of the program. Financial aid includes grants and need and non-need loans.

Need-based financial aid is available to families that demonstrate a financial need for additional resources. The formula below is used to determine how much financial need a student has:

$$\text{Cost of Attendance} - \text{Expected Family Contribution (EFC)} = \text{Financial Need}$$

Non-Need is the difference between the cost of education and Financial Need.

Based on these calculations Federal Aid may not cover all the cost of attendance.

All financial aid is awarded to students who qualify based on the following:

- ❶ Criteria making a student ELIGIBLE includes citizen or permanent non-citizen alien recipient codes 1-151, 1-551, and 1-94.
- ❷ Criteria making a student INELIGIBLE includes codes F-1, F-2, J-1, J-2; students who are in federal loan default; students who receive grant overpayments; or male students who meet Selective Service registration criteria, but are not registered.

ENFORCEMENT OF PUBLIC HEALTH REGULATIONS

The state of Louisiana has the reasonable expectation that all trained and licensed cosmetology professionals will be knowledgeable of all public health regulations applicable to the profession and that licensed cosmetology professionals will practice and enforce these standards.

Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie has the reasonable expectation that all students will dutifully and earnestly apply themselves to learning the health regulations of Louisiana and on a daily basis will practice and demonstrate their knowledge of these rules and accept their professional vanguards and enforcers of public health regulations.

Employees are expected to demonstrate and apply these standards and regulations at all times.

Students and employees are required to adhere to the safety precautions caused by COVID-19. Students and employees must abide by the safety and sanitation procedures as outlined by the Centers for Disease Control and Prevention (CDC).

Clean your hands often

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover your mouth and nose with a cloth face cover when around others
- You could spread COVID-19 to others even if you do not feel sick.
- Everyone should wear a cloth face cover when they have to go out in public.
- The cloth face cover is meant to protect other people in case you are infected.
- Do NOT use a face mask meant for a healthcare worker.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

Clean and disinfect

- Clean AND disinfect surfaces daily. This includes clinic station, hydraulic chair, tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them. Use detergent or soap and water prior to disinfection.
- Then, use a household disinfectant. Most common EPA-registered household disinfectant will work.

Watch for symptoms

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. If you have any of these symptoms DO NOT come to school. Contact the school and follow the call-in procedure. A school representative will be taking student's temperature prior to entering the school facility. If the student has a fever, they will not be allowed to enter the school until the symptoms have passed.

These symptoms may appear 2-14 days after exposure to the virus:

- Fever
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

COPYRIGHT MATERIAL POLICY

All material in this program is, unless otherwise stated, the property of Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie. Reproduction or retransmission of the materials, in whole or in part, in any manner, without the prior written consent of the copyright holder, is a violation of copyright law.

At Vanguard College of Cosmetology A Paul Mitchell Partner School - Metairie we abide by the provisions of the federal Digital Millennium Copyright Act (DMCA), which requires prompt response to claims of copyright infringement by copyright holders or their agents. If the school receives an allegation of copyright infringement based on your use of the school's computers, the matter will be referred to the school director for further investigation. If you are found responsible after meeting with the school director, you are subject to disciplinary action including loss of network access, suspension or termination from school, and/or restitution or community service.

The Internet is an essential tool in everyone's lives for both academic and everyday pursuits. Along with these benefits come responsibilities. One of the most critical is conforming to the copyright laws governing music, movies, games, and software over the Internet. You must have the consent of the copyright holder to make copies.

The consequences of copyright infringement also extend outside of the school. Copyright holders may assess civil liability and even criminal prosecution. Recently, the Recording Industry Association of America (RIAA) has adopted the practice of sending schools pre-litigation settlement letters to be forwarded to individuals offering them "the opportunity to resolve copyright infringement claims against them at a discounted rate." Published reports indicate that the minimum settlement is \$3,000.00 per case.

Another reason to be careful with file-sharing programs is that the installation procedures for most of them enable default open access worldwide to information on your system; thus, the integrity of your computer and personal information can be compromised through illegal file sharing, including making you vulnerable to identity theft.
