PAUL MITCHELL
PARTNER SCHOOL

July 14, 2020

COVID19 Re-opening Guidelines

- Masks are required to enter the building & will be required to be worn throughout the day
- Daily screening will be implemented for all Staff, Future Professionals and Guests
- Temperature must be taken BEFORE entering the building (*Please stay in your car*)
- Temperature must not exceed 100.4 degrees F
- Sanitizing/Disinfecting will take place throughout the building all day, every day, particularly in common areas, bathrooms & kitchen areas
- Social Distancing rules will be adhered to during classroom time
- Lunch breaks are to be taken outside in the tented area only; also using social distancing rules
- Each classroom will be assigned their own designated restroom.
- Sanitizing stations are placed throughout the school.
- Doors must always remain open
- Signing in and out every day is mandatory, ***please use your own pen.***
- All lockers are to be emptied and remain emptied until further noticed.
- Learning Leaders will provide a daily needs list to their Future Professionals. Must use your ***own*** tools and equipment, no cross contamination
- No congregating in the hallways; please stay in your assigned area
- Appointments required for all departments; this includes: Financial Aid, Admissions, Education, Service Desk, Director and Owners.
- Sales and service will continue taking orders via phone/email. Pick-ups will continue by drive by and/or a team member delivery to classroom.
