Date: May 11, 2020

Subject: Policy on distribution of CARES Grant funds to students

To address the pressing financial need of higher education schools and students due to the disruption of campus operations from coronavirus, PMIL, LLC received a grant in the amount of \$ 100,398.00 from the U.S. Department of Education. The funds must be used to cover expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance, such as food, housing, course materials, technology, health care, and childcare). Students attending Paul Mitchell The School Normal, must meet the following criteria to receive funds from this grant:

1. Only students who are or could be eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, as amended (HEA), may receive emergency financial aid grants. If a student has filed a Free Application for Federal Student Aid (FAFSA), then the student has demonstrated eligibility to participate in programs under Section 484 the HEA. Students who have not filed a FAFSA but who are eligible to file a FAFSA also may receive emergency financial aid grants. The criteria to participate in programs under Section 484 of the HEA include but are not limited to the following: U.S. citizenship or eligible noncitizen; a valid Social Security number; registration with Selective Service (if the student is male); and a high school diploma, GED, or completion of high school in an approved homeschool setting.
2. Must be currently enrolled in a Title IV eligible program as of March 13, 2020.
 - a. Students who took a "Leave of Absence" on or after March 13, 2020 are eligible, if the reason for the leave of absence was related to COVID-19. The school must document the specific reason for the leave of absence to show that it was COVID-19 related.
 - b. Students who started in a Title IV eligible program after March 13 , 2020 are eligible, if they can show that they were directly impacted by the COVID-19 pandemic. For example, a student enrolled prior to the COVID-19 outbreak, but started after the school had gone to providing only distance education. In this case, the student would have unexpected expenses related to now attending school via distance education, such as having to buy a laptop or having to purchase internet service, etc.
3. Must be 18 years or over, or if younger, currently receiving Title IV assistance.
4. Must have a graduation date after March 13, 2020.
5. Students who start school after June 1, 2020 or later are not eligible for the funds.
