TEACH-OUT AGREEMENT

Paul Mitchell The School Normal is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and is not required by NACCAS to have a teach-out agreement in place. Schools are only required to have a teach-out agreement in place under certain circumstances where the school may no longer be considered a viable entity, which does not apply to this school.
**ADVERSE ACTIONS**
The U.S. Department of Education requires all Title IV eligible schools to publish any enforcement actions or prosecutions brought against it by a state or federal law enforcement agency in any matter where a final judgment against the institution, if rendered, would result in an adverse action by the school’s accrediting agency, revocation by the state authorization or licensing agency, or limit, suspend, or terminate a school’s eligibility to participate in Title IV programs of the Higher Education Act. Paul Mitchell The School Normal does not have any legal actions against it by a state or federal law enforcement agency.

**STATE LICENSING DISCLAIMER**
The state may refuse to grant a license if a student has been convicted of a crime; committed any act involving dishonesty, fraud, or deceit; or committed any act that, if committed by a licentiate of the business or profession in question, would be grounds for the Division of Professional Regulations to deny licensure. The Division of Professional Regulations denies licensure on the grounds that the applicant knowingly made a false statement of fact required to be revealed in the application for such license. Paul Mitchell The School Normal is not responsible for students denied licensure. Students who are not U.S. citizens or who do not have documented authority to work in the United States will not be eligible to apply to take the state licensure examination. Paul Mitchell The School Normal is not responsible for students denied licensure.

**DISCLOSURE FOR PROGRAMS LEADING TO LICENSURE**
The following programs offered at Paul Mitchell The School Normal lead to licensure in the state of Illinois: Cosmetology, Cosmetology Refresher, Esthetics, Cosmetology Teacher, and Esthetics Teacher. We have compiled a list of all states that require licensure for the program you are interested in enrolling. We have identified whether the institution’s program curriculum meets, does not meet, or a determination has not been made yet, for other state’s individual state educational requirements for professional licensure. This information can be located on the school’s paulmitchell.edu website, as well as you will receive a copy in the school’s admissions packet, prior to touring the school.

Please note that the school you are planning on attending has only had their curriculum evaluated by the state that you are attending school in, which meets the state’s requirements for licensure and practice. In determining whether your program of study is acceptable in another state, each state board reviews the number of clock hours you attended in your home state, the subject areas and practical experiences you completed, as a part of the process of determining what, if any, additional requirements you may have to meet in order to be licensed in their state. We encourage all graduates who are considering becoming licensed in another state to first take the licensure exam in their home state, which will make it easier to transfer into another state. If you are not licensed by your home state, the state you are considering getting licensed in may require you to take additional training to meet their state minimum hour requirements and/or take their state licensure exam. State boards do not evaluate the curriculum of schools located in other states, but do, in most cases, recognize training from other states in order to transfer their license.

If, at any time, the program you are enrolled in, ceases to meet the educational requirements for licensure in the state where the student is located, the school will provide written notice directly to the student in writing within 14 calendar days of making that determination.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION
The transferability of credits you earn at Paul Mitchell The School Normal is at the complete discretion of the institution to which you may seek to transfer. Acceptance of the certificate you earn in Cosmetology, Cosmetology Refresher, Esthetics, Cosmetology Teacher, and/or Esthetics Teacher is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Paul Mitchell The School Normal to determine if your certificate will transfer.

Paul Mitchell The School Normal is a clock hour school, which means that in order to receive credit for each hour earned you must be in attendance engaged in an educational activity. If you decide to transfer to another cosmetology school, the likelihood is that some or most of your hours will be transferrable based on the transfer school’s published policy. However, if you transfer to a credit hour school, such as a community college, or traditional college or university, for a degree granting program, the likelihood is that most, if not all hours earned will not be transferrable because of the subject matter taught and the type of degree granting program you are enrolling in. Paul Mitchell The School Normal does not give clock hour credit for service in the armed forces, paid or unpaid employment, or other demonstrated competency or learning because of the nature of the program offered and state regulatory requirements.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED FROM ANOTHER INSTITUTION
The transferability of credits or certificate you earn at another institution, is at the sole discretion of Paul Mitchell The School Normal. You may be required to repeat some or all of your coursework, if Paul Mitchell The School Normal does not accept some or all of your credits. This determination will be based on an evaluation of the student’s comprehension of the course material. The school does not allow a student to appeal the number of hours accepted when transferring from another location. After the student completes the evaluation, the student will meet with the Education Leader to determine the number of hours accepted and where the student will be placed in the program. At this time, it will also be determined if previous completed coursework needs to be repeated. For this reason, you should speak to Paul Mitchell The School Normal’s admissions leader to determine if your credits or certificate will transfer. Transfer students are responsible to pay the hourly fee based on the number of hours needed to complete the program of study, which is noted under the Transfer Student section of this catalog. Transfer students are responsible to pay the $75.00 application fee as part of the Admissions Procedure. The transfers student’s technical kit will be evaluated, and if necessary, the student will be responsible to purchase the technical and digital kit, as well as the textbooks and any sales tax involved.

COSMETOLOGY PROGRAM TESTING AND GRADING PROCEDURE

The following tests and grading procedures are incorporated during the student’s 1500 hour course:

1. **Academic theory exams**: Students must receive a grade of 70% or higher on each assigned theory exam. Exams are completed at the conclusion of each online theory module. Depending on the length of the distance education module, theory exams will occur weekly or bi-monthly. The theory exams will evaluate the student’s academic performance for each subject of the distance education curriculum.

2. **Core written and practical skills evaluation**: Students must receive a grade of 70% or higher on each written exam and each practical skill exam in order to complete the Core program. The exams are an overview of instruction taught during the Core schedule. All Core written and practical skill exams must be passed with a 70% in order to transition to the Clinic Classroom. If students are unable to pass each exam after two attempts, the student may be asked to withdraw from the program and re-enroll in the next available Core class start date. The core written and practical skills evaluation must be completed within the school facility and cannot be taken through distance education.

3. **Final exam 1 (approximately 1200 hour written test)**: This test covers an overview of all related cosmetology subjects (e.g., anatomy, chemistry, etc.). Students must receive a grade of 75% or higher on all final exams. Final Exam 1 must be completed within the school facility and cannot be taken through distance education.

ENFORCEMENT OF PUBLIC HEALTH REGULATIONS

The state of Illinois has the reasonable expectation that all trained and licensed cosmetology professionals will be knowledgeable of all public health regulations applicable to the profession and that licensed cosmetology professionals will practice and enforce these standards.

Paul Mitchell The School Normal has the reasonable expectation that all students will dutifully and earnestly apply themselves to learning the health regulations of Illinois and on a daily basis will practice and demonstrate their knowledge of these rules and accept their professional vanguards and enforcers of public health regulations.

Employees are expected to demonstrate and apply these standards and regulations at all times.

Students and employees are required to adhere to the safety precautions caused by COVID-19. Students and employees must abide by the safety and sanitation procedures as outlined by the Centers for Disease Control and Prevention (CDC).

Clean your hands often
- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover your mouth and nose with a cloth face cover when around others.
- You could spread COVID-19 to others even if you do not feel sick.
- Everyone should wear a cloth face cover when they have to go out in public.
- The cloth face cover is meant to protect other people in case you are infected.
- Do NOT use a face mask meant for a healthcare worker.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

Clean and disinfect
- Clean AND disinfect surfaces daily. This includes clinic station, hydraulic chair, tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them. Use detergent or soap and water prior to disinfection.
- Then, use a household disinfectant. Most common EPA-registered household disinfectant will work.

Watch for symptoms
People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. If you have any of these symptoms DO NOT come to school. Contact the school and follow the call-in procedure. A school representative will be taking student’s temperature prior to entering the school facility. If the student has a fever, they will not be allowed to enter the school until the symptoms have passed.

These symptoms may appear 2-14 days after exposure to the virus:
- Fever
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in federal financial aid. The 500 hour cosmetology teacher, 500 hour esthetics teacher, and 250 hour cosmetology refresher program are not eligible for Title IV funds.

Please refer to the following refund policy for specific consumer information pursuant to the federal financial aid program.

The Federal Return of Title IV funds formula (R2T4) dictates the amount of Federal Title IV aid that must be returned to the federal government by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws at any point during the payment period. If a student did not start or begin attendance at the school, the R2T4 formula does not apply.

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Financial Aid Leader of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Financial Aid Leader must begin the withdrawal process.

Unofficial Withdrawal Process: For unofficial withdrawals a student’s withdrawal date at a school that is required to take attendance is their last day of physical attendance. The date of determination is 14 days after they cease attendance.

In both cases the last day of attendance will be used in the return to Title IV calculation.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, and Direct Loans or Direct PLUS Loans during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what the school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

Post Withdrawal Disbursement: If a student receives less Title IV funds than the amount earned, the school will offer the student a disbursement of the earned aid that was not received at the time of their withdrawal which is called a post-withdrawal disbursement. Post-withdrawal disbursements will be made from Pell Grant funds first, if the student is eligible. If there are current educational costs still due the school at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be credited to the student’s account. Any remaining Pell funds must be released to the student without the student having to take any action. Any federal loan program funds due in a post-withdrawal disbursement must be offered to the student and the school must receive the student’s authorization before crediting their account. The authorization is required to be sent to the student within 30 days of the date the school determined the student’s last date of attendance.

Credit Balance: If a credit balance still exists on the student’s account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 calculation was performed. The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

1. Unsubsidized Direct Loan
2. Subsidized Direct Loan
3. Direct PLUS Loan (Parent)
4. Federal Pell Grant
Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. (unless the school uses less days based on a state, accrediting agency or institutional requirement)

The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

**Overpayment of Title IV, HEA Funds** — Any amount of unearned grant funds that you must return is called overpayment. The amount of grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. A student who owes an overpayment remains eligible for Title IV, HEA program funds through and beyond the earlier of 45 days from the date the school sends a notification to the student of overpayment, or 45 days from the date the school was required to notify the student of the overpayment if, during those 45 days the student:

1. Repays the overpayment in full to the school;
2. Enters into a repayment agreement with the school in accordance with repayment arrangements satisfactory to the school; or
3. Signs a repayment agreement with the Department, which will include terms that permit a student to repay the overpayment while maintain his or her eligibility for Title IV, HEA program funds.

Within 30 days of the date of the school’s determination that the student withdrew, an institution must send a notice to any student who owes a Title IV, HEA grant overpayment as a result of the student’s withdrawal from the school in order to recover the overpayment.

If the student does not repay the overpayment in full to the school, or enter a repayment agreement with the school or the Department within the earlier of 45 days from the date the school sends notification to the student of overpayment, or 45 days from the date the school was required to notify the student of the overpayment.

At any time the student fails to meet the terms of the repayment agreement with the school:

1. The student chooses to enter into a repayment agreement with the Department.
2. The student who owes an overpayment is ineligible for Title IV HEA program funds.

You must make arrangement with the school or Department of Education to return the amount of unearned grant funds.
### Treatment of Title IV Funds When a Student Withdraws From a Clock-Hour Program

**Student’s Name:** John Doe  
**Social Security #:** 123-45-6789  
**Date of school's determination that student withdrew:** 1/6/11  
**Period used for calculation (check one):** 1st Payment Period  
**Period of Enrollment**

**Monetary amounts should be in dollars and cents (rounded to the nearest penny)**  
When calculating percentages, round to three decimal places. (For example,.4486 = .449 = 44.9%)

#### STEP 2: Percentage of Title IV Aid Earned

**Last Day Attended:** 12/30/11

**H. Determine the percentage of the period completed:**  
Divide the clock hours scheduled to have been completed as of the last day of attendance in the period by the total clock hours in the period.

\[
\frac{271.00}{450.00} = 0.602 = 60.2\%
\]

**If this percentage is greater than 60%, enter 100% in Box H and proceed to Step 3.**  
**If this percentage is less than or equal to 60%, enter that percentage in Box H and proceed to Step 3.**

**H. 100.0%**

### STEP 3: Amount of Title IV Aid Earned by the Student

**Multiply the percentage of Title IV aid earned (Box H) by the Total Title IV aid disbursed and that could have been disbursed for the period (Box G).**

\[
\frac{100.0\%}{100.0\%} \times \frac{9,502.00}{9,502.00} = 9,502.00
\]

**Box H**  
**Box G**  
**Box I**

### STEP 4: Title IV Aid to be Disbursed or Returned

**J. Post-withdrawal disbursement**  
From the amount of Title IV aid earned by the student (Box I) subtract the Total Title IV aid disbursed for the period (Box E). This is the amount of the post-withdrawal disbursement.

\[
\frac{9,502.00}{9,502.00} = 0.00
\]

**Box I**  
**Box E**  
**Box J**

**K. Title IV aid to be returned**  
From the Total Title IV aid disbursed for the period (Box E) subtract the Amount of Title IV aid earned by the student (Box I). This is the amount of Title IV aid that must be returned.

\[
\frac{9,502.00}{9,502.00} = 0.00
\]

**Box E**  
**Box I**  
**Box K**
STEP 5: Amount of Unearned Title IV Aid Due from the School

L. Institutional Charges for the Period.
   - Tuition: 4,500.00
   - Room
   - Board
   - Other
   - Other
   - Other

Total Institutional Charges (Add all the charges together): 4,500.00

M. Percentage of unearned Title IV aid

   100.00% - 100.00% = 0.00%

N. Amount of unearned charges

Multiply institutional charges for the period (Box L) by the Percentage of unearned Title IV aid (Box M).

   4,500.00 x 0.00% = 0.00

Box L   Box M   Box N

O. Amount of school to return

Compare the amount of Title IV aid to be returned (Box K) to Amount of unearned charges (Box N), and enter the lesser amount.

   0.00

STEP 6: Return of Funds by the School

The school must return the unearned aid for which the school is responsible (Box O) by repaying funds to the following sources, in order, up to the total amount disbursed for each source.

Title IV Programs

1. Unsubsidized FDLP / FFELP
   Amount for School to Return: 0.00

2. Subsidized FDLP / FFELP
   Amount for School to Return: 0.00

3. Perkins Loan
   Amount for School to Return: 0.00

4. PLUS FDLP / FFELP (Grad Student)
   Amount for School to Return: 0.00

5. PLUS FDLP / FFELP (Parent)
   Amount for School to Return: 0.00

Total loans the school must return = 0.00

6. Pell Grant
   Amount for School to Return: 0.00

7. Academic Competitiveness Grant
   Amount for School to Return: 0.00

8. National SMART Grant
   Amount for School to Return: 0.00

9. FSEOG
   Amount for School to Return: 0.00

10. TEACH Grant
    Amount for School to Return: 0.00

STEP 7: Initial Amount of Unearned Title IV Aid Due from the Student

From the amount of Title IV aid to be returned (Box K) subtract the Amount for the school to return (Box O).

   0.00 - 0.00 = 0.00

Box K   Box O   Box Q

► If Box Q is < or = zero, STOP. If > zero, go to Step 8.

STEP 8: Repayment of the Student’s loans

From the Net loans disbursed to the student (Box B) subtract the Total loans the school must return (Box P) to find the amount of Title IV loans the student is still responsible for repaying (Box R).

Total loans the school must return = 6,727.00

   6,727.00 - 0.00 = 6,727.00

Box B   Box P   Box R

► If Box Q is less than or equal to Box R, STOP.
The only action a school must take is to notify the holders of the loans of the student’s withdrawal date.

► If Box Q is greater than Box R, Proceed to Step 9.

STEP 9: Grant Funds to be Returned

S. Initial amount of Title IV grants for student to return

From the initial amount of unearned Title IV aid due from the student (Box Q) subtract the amount of loans to be repaid by the student (Box R).

   0.00 - 6,727.00 = 0.00

Box Q   Box R   Box S

T. Amount of Title IV grant protection

Multiply the total Title IV grant aid that was disbursed and that could have been disbursed for the period (Box E) by 50%.

   2,775.00 - 50.00% = 0.00

Box E   Box T

U. Title IV grant

From the initial amount of unearned Title IV aid due from the student (Box S) subtract the amount of loans to be repaid by the student (Box T).

   0.00 - 0.00 = 0.00

Box S   Box T   Box U

► If Box U is less than or equal to zero, STOP.
If not, go to step 10.

STEP 10: Return of Grants Funds by the Student

Except as noted below, the student must return the unearned grant funds for which he/she is responsible (Box U). The grant funds returned by the student are applied to the following sources in the order indicated, up to the total amount disbursed from that grant program minus any grant funds that school is responsible for returning to that program in Step 6.

Note that the student is not responsible for returning funds to any program to which the student owes $50.00 or less.

Title IV Grant Programs:

1. Pell Grant
2. Academic Competitiveness Grant
3. National SMART Grant
4. FSEOG
5. TEACH Grant

Amount to Return: 0.00

INSTITUTIONAL REFUND/DROP POLICY

1. All student refunds shall be made by the school 45 calendar days after the date of notice of the student's cancellation or the date that the school determines that the student has officially or unofficially withdrawn:
   a. An applicant is not accepted by the school. This applicant shall be entitled to a refund of all monies paid to the school.
   b. When notice of cancellation is given within five (5) days after the date of enrollment, the application fee, tuition and any other charges shall be refunded to the student.
   c. When notice of cancellation is given after the fifth (5th) day following enrollment but before the completion of the student's first day of class attendance, the school may retain the application fee, not to exceed $100 and the cost of any books or materials that have been provided by the school and retained by the student.
   d. When notice of cancellation is given after the student's completion of the first day of attendance but prior to the student's completion of 5% of the course instruction, the school may retain the application fee, not to exceed $100, 10% of the tuition, other instructional charges or $300, whichever is less, and the cost of any books or materials that have been provided by the school and retained by the student.
   e. When a student has completed 5% or more of the course of instruction, the school may retain the application fee, not to exceed $100 and the cost of any books and materials provided by the school, but shall refund a part of the tuition and other instructional charges in accordance with the schedule of tuition adjustment.
   f. A student expelled by the institution shall receive a refund based on the chart. (refer to chart below)
   g. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person.

2. Any monies due to a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 30 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student’s actual last date of attendance.

3. When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.

4. All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the kit purchase agreement.

5. If a course and/or program is cancelled subsequent to a student’s enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.

6. If a course and/or program is cancelled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.

7. A student's account may be sent to collections for nonpayment.

8. If the school closes permanently and no longer offers instruction after a student has enrolled, each student shall be given a refund equal to or greater than the percentage of time remaining to complete the course of instruction.

9. A student on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning.
For students who enroll in and begin classes, the following schedule of tuition adjustment will be followed. Upon withdrawal, drop, or termination, a student may owe tuition or be entitled to a refund based on his/her scheduled hours:

**STUDENT FINANCIAL AID RELEASE**

The undersigned agrees that Paul Mitchell The School Normal does not guarantee the student loan process in any respect. A Federal Parent Plus loan requires a credit check and is based on the parent’s credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent’s credit history. Nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

Federal Loan information is available in the National Student Loan Database System (NSLDS) and will be accessible by Servicers and Schools, as authorized.

**ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION**

Students will be given written notice advising them that a conviction of illegal drugs, of any offense, during an enrollment period for which the student was receiving Title IV financial aid will result in the loss of eligibility for any Title IV per HEA Sec. 484(r)(1) and 20 U.S.C. 1091(r)(1). Students whose eligibility has been suspended due to a drug conviction may resume eligibility if they successfully pass two (2) unannounced drug tests conducted by a drug rehabilitation program that complies with criteria established under HEA Sec. 484(r)(2) (20 U.S.C. 1091(r)(2)).

**CREDIT BALANCE POLICY**

If Title IV disbursements result in a credit balance on the student’s account, the Financial Aid office will notify the student. The student has the option to have the school hold the credit balance and can complete an authorization for the school to hold the funds by obtaining an authorization form from the Financial Aid Department. If the student does not want the school to hold their funds, all credit balance disbursements and refunds due to funding source will be processed within 14 days of the credit balance appearing on the student account. Regardless of the chosen option the school will clear all credit balances on a student account by the end of the award year.
**POLICY FOR VERIFICATION OF TITLE IV FUNDING**

The school has policies and procedures that it follows for verification of Title IV funding. Verification is a requirement by the U.S. Department of Education. Students are randomly selected to provide additional information. The school provides students with a verification form so they can collect the necessary information. The school gives the student a 30-day deadline to return the form to the financial office with verification items attached. If verification documents are not submitted by the due date, the student will be placed on a monthly cash pay status until verification is completed. The corporate office sends to the school a change in EFC form for students to sign if their EFC changes. FAME handles our student overpayments and alerts the school so it can make changes to the award packet, which is reported to Common Origination and Disbursement (COD) for the Department of Education.

**SPECIAL PROVISIONS FOR BOOKS AND SUPPLIES**

In order to academically succeed in a program, a Federal Pell Grant student must have the ability to purchase books and supplies at the beginning of the academic period. By the seventh day of a payment period, the school will provide a way for a student who is eligible for a Federal Pell Grant to obtain or purchase the books and supplies required for the payment period if:

1. Ten days before the beginning of the payment period, the school could have disbursed FSA funds to the student; and
2. Disbursement of those funds would have created an FSA credit balance.

The school will consider all the FSA funds a student is eligible to receive at the time it makes the determination, but the school need not consider aid from non-FSA sources.

The amount the school must provide is the lesser of the presumed credit balance or the amount determined by the school that the student needs to obtain the books and supplies. In determining the required amount, the school may use the actual costs of books and supplies or the allowance for those materials used in estimating the student’s cost of attendance for the period. A student may decline to participate in this process to obtain or purchase books and supplies, if they so choose.

**PREFERRED LENDER LIST AND PRIVATE EDUCATION LOAN DISCLOSURES**

Our school does not have a list of preferred lenders and we do not offer private education loans.

**MAKEUP WORK**

Students must complete all required assignments and tests. To accommodate students, makeup test days and worksheet periods are scheduled. Students must complete makeup work at the scheduled time. Monthly makeup test dates are posted on the theory and school calendars.

**MAKEUP HOURS**

Students can make up hours during course times the student is not normally scheduled for attendance. (For example, night school or Friday) Cosmetology students may not make up hours until the student has finished Protege. Master Instructor students can make up hours anytime during their program. Make-up time will only be allowed for students until a cumulative attendance percentage 100% is achieved. All make up hours must be pre-approved by the future professional advisor. Students must complete a Future Professional Make-Up Request Form indicating the date and time. Monday and Friday 9:30pm-4:30pm *The student must complete the full amount of schedule make-up hours for the specific day and they will have a strong game plan to all be guest ready.

**TEMPORARY FOR DISTANCE LEARNING**

Students can make up hours during course times the student is not normally scheduled for attendance. Make-up time will only be allowed for students until a cumulative attendance percentage 100% is achieved. All make up hours must be pre-approved by the schools Advisor and Education Leader.
SATISFACTORY ACADEMIC PROGRESS POLICY

Students enrolled in programs approved by NACCAS must meet formal standards that measure their satisfactory academic progress toward graduation. The Satisfactory Academic Progress policy is provided to all students prior to enrollment. The policy is consistently applied to all enrolled students. Satisfactory Academic Progress Evaluations are maintained in the student file. The school will develop an academic and/or attendance plan to address the specific needs of those students who fail to meet the academic and/or attendance requirements at specific SAP evaluation points. A leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student’s progress toward satisfactory completion of the program include maintaining:

1. A minimum cumulative theory grade level of 70%
2. A minimum cumulative academic level of 70% or higher on practical evaluations.*
3. To determine whether a student meets the academic requirements for Satisfactory Academic Progress, theory and practical grades are averaged together to give a minimum cumulative academic grade of 70%.
4. A minimum cumulative attendance of 80% of scheduled hours**
5. A Final Practical Assessment and Final Exams Test grade of 75% or higher

*To meet the state practical requirements for graduation, students must complete all assigned practical skills. See LEARNING PARTICIPATION GUIDELINES

**To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.

A student who has not achieved the minimum cumulative GPA of 70% and/or who has not successfully completed at least a cumulative rate of attendance of 80% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that resulted in a status of Financial Aid Probation.

The state of Illinois requires 1500 clock hours for the cosmetology course. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 47 weeks for a full-time student and 75 weeks for a part-time student.

The state of Illinois requires 250 clock hours for the cosmetology refresher course. Students are expected to complete the course in no more than 125% of the program length. The state of Illinois requires 500/1000 hours for the cosmetology teacher's course. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 16 weeks for a 500-hour full-time student and 25 weeks for a part-time student. In the 1000-hour cosmetology teacher program the student should complete the program in 32 weeks for full-time and 50 weeks for part-time student.

The maximum time frame allowed for transfer students who need less than full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs and will be terminated from the program. Students who exceed the maximum time frame will be permitted to re-enroll in the program on a cash-pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completes are considered part of the Satisfactory Academic Progress calculation. For students with a disability that appeal, the student’s disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

**INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS**

If the student needs to take off more time than allotted in the contract or more than 14 consecutive calendar days, he/she must take a leave of absence or withdraw and reenroll when ready to return. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

**NONCREDIT, REMEDIAL COURSE, AND REPETITIONS**

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school’s satisfactory academic progress standards.

**MAJORS, DEGREES, SECOND DEGREE, OR SUMMER TERMS**

Majors, degrees, second degrees, or summer terms does not apply to Paul Mitchell The School Normal.
**LEAVE OF ABSENCE**

A Leave of Absence (LOA) is a temporary interruption in a Student’s program of study. LOA refers to the specific time period during an ongoing program when a Student is not in academic attendance. Leaves of Absence can be granted in cases of emergency or medical problems with doctor notification, which cause attendance to be impossible or impractical. Leaves of Absence will be granted in the case of pregnancy or new mothers. A leave of absence will be permitted with a letter from the student’s doctor. If a student is called into active duty for the military the school will grant a leave of absence. These are the only times leave of absences are granted.

**In order to be placed on Leave of Absence, the student must:**

1. Complete and sign the school’s Leave of Absence Request Form, unless unforeseen circumstances prevent the student from doing so.
2. Must state the reason for the Leave of Absence (LOA) request
3. Be approved by the School’s Future Professional Advisor and Financial Aid Leader.
4. Leaves must be a minimum of 5 days and must not exceed a total of 180 days in a 12-month period.

A student on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning. A leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence.

Student’s may not arbitrarily decide to “take” a leave of absence.

There will be no additional charges for a LOA. If the student fails to return or contact the School Financial Aid Leader on the documented return date, the Student will be considered to have withdrawn from school as of that date the student began the LOA. The withdrawal date for the purpose of calculating a refund is always the student’s last day of attendance.

For federal aid recipients, the student’s payment period is suspended during the LOA and no federal financial aid will be disbursed to student while on a Leave of Absence. Upon the student’s return, the student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. If the student is a Title IV loan recipient, the student will be informed of the effects that the student’s failure to return from a leave may have on the student’s loan repayment terms, including the expiration of the student’s grace period. A contract addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of days.

In special circumstances, the school may grant a leave of absence to a student in the case of an emergency, such as a car accident or other medical issue that would prevent the student from requesting the leave of absence prior to the incident occurring. In these cases, the school will collect the request from the student at a later date and document the reason for the granting of the leave after the incident has occurred. The beginning date of the leave of absence will be based on the first date it has been determined that the student cannot come to class due to the accident or medical situation.

In order to grant a Leave of Absence there must be the expectation that the student will be returning to school.

A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no refund calculation is required at that time.

Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties to reflect the new contract end date.
EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Satisfactory Progress elements will be monitored monthly. Formal Satisfactory Progress Evaluations in both attendance and academics will occur when students reach:

At least one evaluation will occur prior to the mid-point to the academic year. The SAP evaluations are signed and printed within 7 days of the student reaching the evaluation points.
The following grading system is used to evaluate a student’s academic ability:

1. Examinations are given in all subjects.
2. Satisfactory Academic Progress Evaluations are reviewed and signed by the student and maintained in the student’s financial file. The Satisfactory Academic Progress Evaluation will reflect if the student’s evaluation will impact the student's eligibility for Financial Aid. The student may request to review their financial aid file from the Financial Aid Leader or Director.

The following grading scale is used for theory progress:

- A = 90 – 100%
- B = 80 – 89%
- C = 70 – 79%
- Failing = Below 70%

The following grading scale is used for all final practical and theory exams:

- A = 90 – 100%
- B = 80 – 89%
- C = 75 – 79%
- Failing = Below 75%

Practical skills are graded by instructor approval in CourseKey Skills Tracker or guest ticket. Approval from an instructor represents a grade of 70% or higher. No approval indicates a score of less than 70% and the student has not met minimum satisfactory standards on the practical application. The student is required to continue the practical application until they receive approval from an instructor. Students must make up failed or missed tests and incomplete assignments.

*The school uses a 900-hour academic year for Title IV purposes.*

**TRANSFER HOURS**

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on scheduled contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

**DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

**WARNING**

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and considered to be making satisfactory academic progress during the warning period which is until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, he/she may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds.
**PROBATION**

Students who fail to meet the minimum requirements for attendance and academic progress after the Warning period, the student will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal.

Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time-frame established for the individual student. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

**RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS for those who qualify**

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.
**APPEAL PROCEDURE**

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has ten (10) school days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school’s financial aid office on the designated schools Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student’s situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student’s disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student’s file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, for example 450 to 900 actual hours evaluations; and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students.

**TERMINATION APPEAL PROCEDURE**

If a student is terminated due to receiving the maximum amount of coaching sessions, or due to the reasons outlined under termination on the Student Advisory Form, the student may appeal the termination decision. A student has five (5) calendar days from the date of termination to appeal the decision. The student must submit a written appeal to the school’s Future Professional Advisor on the schools Termination Appeal Form describing why they were terminated, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student’s situation that will allow them to continue through the program without incident.

An appeal hearing will take place within 15 business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), the student’s learning leader, the future professional advisor, and the school director. A decision on the student's appeal will be made within three (3) business days by the director of education and will be communicated to the student in writing. This decision will be final.

If a student is terminated for gross misconduct, which includes but is not limited to reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, threats, and/or bullying, such termination is final and may not be appealed.
**STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY**

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

1. Review their education records,
2. Seek to amend inaccurate information in their records, and
3. Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request. Copies of all records can be requested at $0.20 per page.

**General Release of Information**

Except under the special conditions described in this policy, a student must provide written consent before a school may disclose personally identifiable information from the student's education records. The written consent must:

1. State the purpose of the disclosure,
2. Specify the records that may be disclosed,
3. Identify the party or class of parties to whom the disclosure may be made, and
4. Be signed and dated.

**FERPA Disclosures to Parents**

While the rights under FERPA have transferred from a student’s parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student’s education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent’s income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student’s education records to parents in the case of a health or safety emergency that involves the student, without their consent.

A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official’s personal knowledge or observation and that is not based on information contained in an education record.

**Release of Information to Regulatory Agencies**

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. “Authorized representatives” include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student information is needed to determine the amount of the aid, the conditions for the aid, or the student’s eligibility for the aid, or to enforce the terms or conditions of the aid.
Paul Mitchell The School Normal provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

**Disclosures in Response to Subpoenas or Court Orders**

FERPA permits schools to disclose education records, without the student’s consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

A school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an *ex parte* order issued in connection with the investigation of crimes of terrorism.

**Disclosures for Other Reasons**

There are two different FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school’s rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

**Directory Information**

Paul Mitchell The School Normal does not publish “directory information” on any student.

**Record Maintenance**

All requests for releases of information are maintained in the student’s file as long as the educational records themselves are kept. Student records are maintained for a minimum of six (6) years for withdrawal students; transcripts of graduates are kept indefinitely.

**Amendment to Student Records**

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office’s address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202.
**PERFORMANCE STATISTICS/JOB OUTLOOK**

Paul Mitchell The School Normal is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and recognized by the U.S. Department of Education. Each agency requires schools to provide important information regarding outcome rates in the areas of completion, placement, and licensure; however, each agency requires that we provide outcome rates differently. NACCAS requires schools to list the outcome rates for the main campus and all additional campuses as a whole. In this case, there are no additional campuses. NACCAS requires schools to list the outcome rates also by program. If you have any questions regarding our outcome rates, please see our Admissions Team for assistance.

NACCAS’ 2019 Annual Report is derived from a single cohort of students – those scheduled to graduate in 2019. NACCAS’ graduation, placement and licensure definitions are described below:

**Graduation:** Based on all students scheduled to graduate from the program in 2019. The scheduled graduation date is a student’s most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

**Licensure:** Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2020. A student in the licensure cohort may count as a “pass” if they pass all required portions of the examination prior to November 30, 2020.

**Placement:** Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2020. Students may be excluded from the calculation if they fall into one of the categories listed. In 2019, the school excluded the following number of students* based on each of the following categories:

1. The graduate is deceased 0
2. The graduate is permanently disabled 0
3. The graduate is deployed for military service/duty 0
4. The graduate studied under a student visa and is ineligible for employment in the U.S. 0
5. The graduate continued his/her education at an institution under the same ownership (e.g., a graduate of your cosmetology program subsequently enrolled in the instructor program of an institution under the same ownership) 0

Total Excluded 0

*If fewer than ten students were excluded for any one category, the disclosure will only include the total of all excluded students if that total is at least ten. If the calculation excluded fewer than a total of ten students the institution will state that it excluded students on the basis of each condition, and note that the number of total exclusions were fewer than 10 and therefore cannot be disclosed.

**STUDENTS RIGHT-TO-KNOW - DEPARTMENT OF EDUCATION RATES**

| GRADUATION 2017 | 87% |

Paul Mitchell The School Normal must prepare the completion and graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students each year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution’s catalog. These rates are generated from the school student record management system.
STUDENT PROFESSIONAL DEVELOPMENT GUIDELINES

All students must commit to and follow the Student Professional Development Guidelines during their enrollment at Paul Mitchell The School Normal. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience.

Attendance and Documentation of Time

1. The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a computerized timeclock. This device may consist of an app that can be used on your phone, a biometric scanner in the school, or similar device. In order to ensure proper clock hours are credited, full-time students are required to clock in/out 4 times a day: when they arrive to school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. Part time students are required to clock in/out 2 times a day: when they arrive to school and when they leave at the end of the day. If a student fails to clock in or out for their schedule on the student time clock, the student will not receive hours. If the student wishes to dispute any hours they feel earned, the student must provide documentation to verify attendance on the missing time form. The documentation would include the student sign in sheet, the specialty class attendance role, and/or the guest service summary.

2. The school is open from 8:00 AM to 4:30 PM for day students and 5:00 PM to 10:00 PM for night students.

3. All courses require continuous attendance.

4. The prescribed attendance schedule must be maintained each week. Day students attend Core for 210 hours, Tuesday through Saturday. Night students attend Core for 210 hours, Monday through Thursday. Alternate schedules are available to those students who qualify.

5. Night students may not miss Mondays; day students may not miss Saturdays.

6. Students must be on time, as tardiness inhibits the learning process. Students who are late for theory, a specialty class or a guest artist class may attend the class, but must be accompanied into the classroom by a learning leader. Students are never excused from mandatory theory class to work in the clinic classroom.

7. Students who are late or cannot attend school must contact the school and talk to the school service desk immediately. Day students must call in by 9:00 AM; night students must call in by 4:30 PM.

8. Students must request time off from school from the Future Professional Advisor.

9. Students are required to be in attendance a minimum of seven (8) hours per day, 32 hours per week for the full-time schedule; 20 hours per week for part-time students. Holidays such as Thanksgiving, Christmas, and New Year’s Day will be set according to the calendar each year. Students cannot bank hours and attend over 32 hours per week to make up for missing hours.

10. Lunches and breaks are scheduled for all students. Day students will take 30 minutes for lunch between 12:00 noon and 1:30 PM, if possible, according to their booking. Students should communicate with their instructor if they have not had lunch by 1:30 PM.

11. Students attend Core the first 6 weeks (192 clock hours) of enrollment. During this time the student must maintain a monthly attendance of 90%. If at the conclusion of the month, the student’s progress report is not 90% attendance, the student may be dropped from the program and asked to re-enroll in the next class start date.
Observe the appropriate breaks for your school schedule. Breaks are as follows:

Documentation of time: Students may not leave the school premises during regular hours without an instructor’s permission.

a. Students who leave school premises for more than 10 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having an instructor book them out.

b. Students who leave school premises for less than 10 minutes must sign the sign-out sheet.

c. Day students must clock out on the time clock for lunch for 30 minutes every day. Students will not receive credit for the hour if they fail to clock in/out for lunch.

Students may not clock in or out for another student.

The following actions may be inspected for noncompliance:

1. **Attendance and Documentation of Time Guidelines:** Attendance, promptness, and documentation of work are cornerstones of successful work practices. Future Professionals may be clocked out, released for the day, or suspended when they do not comply with guidelines.

2. **Professional Image Standards:** Professional image standards were created to provide guidance and direction to Future Professionals as they develop their professional image and persona. Future Professionals may be coached and receive an advisory when they do not meet professional image standards.

3. **Sanitation and Personal Service Procedures:** Sanitation and personal service procedures have been established to comply with state laws and to provide a safe and clean service environment. Future Professionals may be coached and receive an advisory when they do not follow sanitation and personal service procedures.

4. **Communication Guidelines and Professional Conduct:** It is the school’s responsibility to provide a learning environment that is professional, positive, and conducive to learning. Staff and all contribute to a mutually respectful learning environment that fosters effective communication and professional conduct. Future Professionals who fail to follow communication guidelines and who do not conduct themselves in a respectful and professional manner may experience suspension or termination.

5. **Learning Participation Guidelines:** The learning participation guidelines have been established to provide a creative, fun, interactive, and collaborative learning environment that empowers students to act as future salon professionals and committed learners. Positive behavior is required to create a mutually beneficial learning environment for all Future Professionals. Future Professionals who fail to meet the guidelines and create challenges for other Future Professionals or staff may be released from school, suspended, or terminated.

Corrective Action Steps

Once a Future Professionals has received five (5) coaching sessions, the Future Professionals may be suspended from school for five (5) days. Suspended Future Professionals may only be re-admitted to school upon paying the administrative re-entry fee. If a student receives two (2) more coaching sessions after re-admission from a five (5) day suspension, the Future Professionals’s attendance may be permanently terminated. A Future Professional may be terminated without prior coaching sessions for improper and/or immoral conduct. Refer to the school Future Professional Advisory Form.

*When monitoring Future Professionals for unofficial withdrawals, the school is required to count any days that a Future Professional was out of school on suspension as a part of the 14 consecutive days of non-attendance used to determine whether the Future Professional will be returning to school.*

We believe in providing a quality environment with an exceptional educational program. This framework gives everyone the opportunity to enjoy the experience! The entire staff appreciates the Future Professionals’ respect of these guidelines.
POLICIES AND PROCEDURES FOR STUDENTS WITH DISABILITIES

1. Accommodation Procedures for Students with Disabilities
2. Grievance Procedures for Students who have Complaints on the Basis of Disability

**Accommodation Procedures for Students with Disabilities**

**Non-Discrimination Policy** — It is the policy of Paul Mitchell The School to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act which are Federal laws that prohibit discrimination on the basis of disability. Paul Mitchell The School does not discriminate on the basis of disability against a qualified person with a disability in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a student’s participation in a program of Paul Mitchell The School. This applies to all students and applicants for admission to The School. Paul Mitchell The School will provide reasonable accommodations to students with disabilities.

**Definition of an Individual with a Disability** — An individual with a disability is a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual. These persons are protected by Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA). Individuals with a record of such an impairment and individuals who are regarded as having such an impairment are also protected by these Federal laws. The definition of “disability” in Section 504 and the ADA should be interpreted to allow for broad coverage.

The phrase physical impairment means a physiological disorder or condition, a cosmetic disfigurement, or an anatomical loss, that affects one or more of the following body systems: neurological; musculoskeletal; special sense organs (which would include speech organs that are not respiratory such as vocal cords, soft palate, tongue, etc.); respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine. Examples include, but are not limited to, orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, HIV disease (symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

The phrase mental impairment means any mental or psychological disorder, including but not limited to, mental retardation, organic brain syndrome, emotional or mental illness, specific learning disabilities, post-traumatic stress disorder, depression and bi-polar disorder. The phrase substantially limits must be interpreted without regard to the ameliorative effects of mitigating measures, other than ordinary eyeglasses or contact lenses. Mitigating measures are things like medications, prosthetic devices, assistive devices, or learned behavioral or adaptive neurological modifications that an individual may use to eliminate or reduce the effects of an impairment. These measures cannot be considered when determining whether a person has a substantially limiting impairment. An impairment that is episodic or in remission is a disability if, when in an active phase, it would substantially limit a major life activity. For example, a student with bipolar disorder would be covered if, during manic or depressive episodes, the student is substantially limited in a major life activity (e.g., thinking, concentrating, neurological function, or brain function).

The phrase major life activities means functions such as caring for one’s self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. Major life activities also includes major bodily functions such as functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.
The School's Responsibilities to Students with Disabilities

The School must provide academic adjustments, auxiliary aids and reasonable accommodations to students with disabilities, that are necessary to ensure students are not denied the benefits of, or excluded from participation in, The School's program. The School must make modifications to its academic requirements that are necessary to ensure that the requirements do not discriminate against students with disabilities. The School must ensure that it provides physical access to students with disabilities. It is also the responsibility of Paul Mitchell The School to permit students with disabilities to use service dogs on each campus.

The person responsible for implementing these responsibilities at Paul Mitchell The School Normal Campus is: Darin Lyons; ADA Compliance Coordinator; 1503 E. College Avenue, Normal, IL 61761; (309) 862-3400; admissions@normal.paulmitchell.edu.

When a student informs a School staff member that the student is disabled, or needs accommodations or assistance due to disability, the staff member will refer the Student to The School's ADA Compliance Coordinator.

Procedures for Students and The School

Documentation of disability by students — Students with disabilities who wish to request reasonable accommodations (including academic adjustments, auxiliary aids, or modifications) must contact the ADA Compliance Coordinator named above for their campus. Students must provide documentation of disability from an appropriate professional, which depends on the nature of the disability. For example, a student with a psychological disability should provide documentation from a psychologist, psychiatrist or social worker. The documentation submitted must be within the last 12 months, if older than 12 months the student must provide current documentation from the appropriate professional.

This documentation may be the student's existing medical records, or reports created by the student's medical provider or an appropriate professional who conducts an assessment of the student. It may be documentation from the student's past educational records such as reports from teachers or school psychologists, or records that show the student's educational history, disability assessment, and the accommodations the student previously received. It may be records from the state department of rehabilitation or the U.S. Department of Veterans Affairs. Documentation should be current and relevant, but that does not mean that a recent report or record is needed in all cases. Some disabilities are stable lifelong conditions and historic documentation will be sufficient. Some disabilities are readily apparent and observable and thus little or no documentation will be needed.

The documentation of disability is kept at all times in a locked, private file at The School. To protect privacy, direct access to this documentation is by written consent only. The ADA Compliance Coordinator will determine what information needs to be shared with Paul Mitchell The School staff and Learning Leaders, on an “as needed basis,” in order to facilitate academic accommodations or other services.

Student requests for accommodations and interactive discussion with ADA Compliance Coordinator — Students who plan to request accommodations should contact the ADA Compliance Coordinator promptly, so there is time for the Coordinator to review the student’s documentation and discuss accommodations with the student before the student begins the class or program for which the accommodation is being requested. When a student contacts the Coordinator, the Coordinator will keep a record of the dates and contacts with the student, including a record of the accommodations requested by the student. Students who have questions about the type of documentation they need to provide should contact the Coordinator to discuss this.

The student and the ADA Compliance Coordinator will discuss how the student’s impairment impacts the student, how the student expects the impairment to impact the student in The School's program, the types of accommodations the student has previously received (if any), and the accommodations being requested by the student from The School. The Coordinator and the student should discuss accommodations needed during all phases of the program (Core, Adaptive and Creative), and for classroom instruction, skills based instruction and skills practice.
The documentation (or observation) must show the nature of the student’s disability and how it limits a major life activity. The accommodations requested by the student should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the student must discuss and determine what the student’s limitations are, and how they can be accommodated.

Here are some examples:

- A student with an orthopedic disability may need cushioned floor mats and scheduled times to sit down. These students may also need particular kinds of chairs.

- A student with a learning disability or attention deficit disorder may need extra time to take tests, such as ninety minutes to take a test instead of the sixty minutes allowed to other students. These students may need to take their tests in a location that is quiet and has no distractions, such as an office rather than the classroom.

- A student with a learning disability or psychological disability may need a note taker, a copy of the instructor’s notes or presentation, or to use a tape recorder during instruction.

- A student with post-traumatic stress disorder or an anxiety disorder may need to take periodic leaves of absence, or may need to structure their program so that it is scheduled over a longer period of time than usual. These students may need to take breaks in a quiet room during skills practice.

- A student with a hearing impairment may need instructors to use voice amplification systems, or may need the School to provide a sign language interpreter.

- A student with diabetes may need periodic breaks to check his or her blood sugar level.

**Decision about accommodations, and ensuring implementation of accommodations** — The ADA Compliance Coordinator will decide the accommodations to be provided to the student. The Coordinator will consider any past accommodations that have been effective for the student, and will give primary consideration to the type of accommodation requested by the student. Alternate accommodations may be provided if there is an alternative accommodation that would be equally effective for the student.

The Coordinator will make a decision no later than two weeks after the student states the request for an accommodation. If the student does not submit documentation of a disability at the time the student requests an accommodation, the Coordinator will make a decision no later than two weeks after the student provides the documentation.

The Coordinator will list the approved accommodations in writing and provide this to the student. The Coordinator will inform the appropriate Learning Leaders and school staff of the accommodations they are responsible for providing to the student, how to provide the accommodations, and when to provide the accommodations. The Coordinator will keep a written record of these contacts about the student’s accommodations. The Coordinator will verify that the accommodations are being implemented for the student through direct observation, report by the student, and/or documentation from The School staff. If the student informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene with relevant staff members to ensure the accommodation is provided to the student.

After accommodations have been approved for a student, the Coordinator will make an appointment with the student for a time when the student’s program is expected to change. The purpose of the appointment is to determine whether the student’s accommodations should be changed when the student’s program phase changes, or the type of instruction changes.

**Additional factors** — The School is not obligated to provide accommodations that would result in a fundamental alteration of The School’s program. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the student that would not fundamentally alter the program. The Coordinator will offer the alternate accommodation to the student.
The School is not obligated to provide accommodations that would result in an undue financial or administrative burden on The School. If the Coordinator decides that a requested accommodation might impose such a burden, the Coordinator will discuss the issue with The School owner, who will take into account the overall financial resources of The School. The School owner will make the final decision, in accord with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. If The School owner determines that the requested accommodation would be an undue burden, the Coordinator will promptly search for an equally effective alternate accommodation for the student and offer the alternate accommodation to the student.

Appeals by Students

A student may appeal any accommodation decision made by the ADA Compliance Coordinator if the student disagrees with the decision. Here are some examples: A student may appeal the Coordinator’s decision to deny a requested accommodation. A student may appeal a decision by the Coordinator to provide an alternate accommodation rather than the specific accommodation requested by a student. A student may appeal a decision by the Coordinator that the student has not presented sufficient documentation to support the requested accommodation. A student may also file an appeal when a school staff member fails to provide an approved accommodation, and the Coordinator has not effectively addressed the situation.

When a student wishes to file an appeal, the student must notify Wendy Flores; Director; 1503 E. College Avenue, Normal, IL 61761; (309) 862-3400; wendyf@normal.paulmitchell.edu. The student must explain his/her reasons for disagreeing with the Coordinator’s decision, or explain how the student’s accommodation is not being implemented, and submit any relevant documentation.

Within five calendar days of receiving a student's appeal the Director will meet with the student and the Coordinator to discuss the issues presented by the student's appeal. If appropriate, the Director will also discuss the issues with other School staff members.

When a student appeals a decision made by the Coordinator, the Director will determine whether the Coordinator’s decision should be revised or remain the same. If the decision is revised, the Director will ensure that the revised decision is implemented.

When a student files an appeal on the basis that an approved accommodation is not being implemented, the Director will determine whether the accommodation is being fully implemented, and if it is not, ensure that the accommodation is implemented. The Director will inform the student of the decision in writing no later than fourteen days after receiving the student’s appeal.

Training and Mediation Responsibilities of the ADA Compliance Coordinator

The ADA Compliance Coordinator at each campus will deliver disability training sessions for all campus staff members at least once each calendar year. In these training sessions the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act as they apply to The School. The Coordinator will address: The School's responsibility to provide accommodations to students with disabilities; how to appropriately interact with students with particular kinds of disabilities; how to go about implementing accommodations that the Coordinator has approved for students; how to support students with disabilities in The School's programs; that students with disabilities cannot be penalized for using approved accommodations. The Coordinator will keep a record of each training session.

The Coordinator may also provide trainings for students who wish to learn about The School's process for providing accommodations, or about The School’s grievance procedures.

To help ensure that future campus staff members and students are aware of The School’s policies, the Coordinator will make sure that the Accommodations Procedures and the Grievance Procedures are continually posted at the campus.
The Coordinator will assist students with disabilities who have concerns about implementation of their accommodations or their treatment by The School staff members or other students. At the request of a student, the Coordinator will informally mediate or attempt to resolve issues related to the student’s disability. If this informal process does not resolve the student’s concerns, the student may file a grievance as described in Section II below.

1. **Grievance Procedures for Students who have Complaints on the Basis of Disability**

Paul Mitchell The School is responsible for providing a grievance procedure to students who feel they have been discriminated against on the basis of disability. The grievance procedure provides students the opportunity to file a complaint. The School then has the responsibility to objectively investigate the allegations in the complaint and determine whether the student has been discriminated against. If The School determines that discrimination occurred, The School must take appropriate steps to correct the discrimination and prevent it from reoccurring.

**Grievance complaints** — A student may file a grievance if the student feels he or she has been discriminated against because the student is disabled, or because the student is regarded as being disabled, or because the student has a record of being disabled. A student may also file a grievance if the student feels that he or she has been retaliated against for advocacy based on disability. Here are some examples of discrimination:

- An instructor or other students refer to the student in a derogatory way related to the student’s disability.
- An instructor generally refers to students with particular types of disability in a derogatory way.
- Other students refuse to work with the student because the student is disabled.
- A School staff member refuses to provide a service to the student that the staff member provides to other students.
- A school staff member takes a negative action toward the student after the student asked for accommodations for a disability.
- A guest presenter at The School makes derogatory statements about students with disabilities, or states that students with disabilities can never be employed in the presenter’s field.
- A student’s request for accommodation was denied by The School, or an instructor did not implement an accommodation for the student that was approved by The School.

A student must file a grievance complaint within 90 days of the date the discriminatory act occurred, or within 90 days of the end of an informal attempt to resolve the complaint, whichever is later. The complaint must be written. In the complaint, the student must describe what happened and the dates the acts took place, and state who was involved. The student should explain why the student believes the acts were taken based on disability. The student should describe or provide copies of any relevant documents or emails, if available.

A student may ask the Campus ADA Compliance Coordinator to try and informally resolve the student’s complaint before the student files a written complaint. However, the student is not required to try informal resolution before filing a written complaint.

The complaint must be sent to Wendy Flores; Director; 1503 E. College Avenue, Normal, IL 61761; (309) 862-3400; wendyf@normal.paulmitchell.edu.
**Investigation of the Complaint** — When the Director receives a written complaint, the Director will immediately begin an objective investigation. The School has the right to contract with an independent investigator to conduct any investigation. Within seven days, the Director will discuss the allegations in the complaint with the student, and obtain any needed additional information from the student. The Director will obtain from the student the names of any persons the student believes will have relevant information. The Director will gather all information necessary to determine what took place. To do so, the Director will interview any School staff members or students who engaged in the actions or may have witnessed the actions that the student is complaining about. The Director will interview persons that the student stated may have relevant information. The Director will gather any relevant documents such as emails, student work or instructor’s records. During the investigation, the Director will disclose the complaint, and confidential information about the student, only to the extent necessary to investigate the allegations of the complaint.

After reviewing all the evidence gathered, the Director will determine whether the student was treated differently from other students based on disability; or whether the student was harassed based on disability; or whether the student was retaliated against because the student advocated on the basis of disability; or whether the student was denied an accommodation that The School should have provided to the student.

**Written Decision** — The Director will provide the student with a written decision no later than sixty days after the date the student filed the complaint. The decision will state the determination reached by the Director at the conclusion of the investigation, and the reasons the Director reached that determination. If the Director concludes that the student was discriminated against on the basis of disability, the decision will state the types of remedial action that The School has taken or will take to correct the discrimination. The decision will also state how The School will prevent the discriminatory acts from occurring again.

**Appeals by Students** — If the student who filed the complaint disagrees with the decision made by the Director, or disagrees with the remedial action specified, the student may appeal the decision to The School Owner. The appeal must be written and sent to John Kanski; Owner; 1503 E. College Avenue, Normal, IL 61761; (309) 862-3400; johnk@normal.paulmitchell.edu. The appeal must state the specific reasons that the student disagrees with the decision. Appeals must be filed no later than thirty days after the student receives the written decision from the Director.

The Owner will review all the information provided by the student in the appeal, the decision by the Director, the interview records made by the Director and the documents gathered by the Director. The Owner will issue a written decision to the student within fourteen days after receiving the student’s appeal. The Owner will determine whether the decision should be revised or remain the same. If the Owner determines that the decision should be revised, the Owner will ensure that any necessary changes in the remedies are implemented.

STUDENT CONSUMER INFORMATION

Provisions of the Higher Education Amendment of 1976 require that effective July 1, 1977, each post-secondary institution which receives Federal Financial Aid funds must make certain student consumer information available to any enrolled or prospective student who request such information.

This section compiled by the Financial Aid office staff attempts to meet the requirements.

The school is approved for and participates in Federal PELL Grants, Subsidized Direct loans, Unsubsidized Direct Loans, and Parent PLUS loans. Such programs help to defray the costs of attending school for those students eligible for financial aid consideration.

Financial aid is any mechanism that reduces out of pocket costs that the students and/or parents must pay to obtain a specific post-secondary education. Put differently, financial aid is monies made available to help students meet the cost of the program. Financial aid includes grants and need and non-need loans.

Need-based financial aid is available to families that demonstrate a financial need for additional resources. The formula below is used to determine how much financial need a student has:

\[
\text{Cost of Attendance} - \text{Expected Family Contribution (EFC)} = \text{Financial Need}
\]

Non-Need is the difference between the cost of education and Financial Need.

Based on these calculations Federal Aid may not cover all the cost of attendance.

All financial aid is awarded to students who qualify based on the following:

1. Criteria making a student ELIGIBLE includes citizen or permanent non-citizen alien recipient codes 1-151, 1-551, and 1-94.

2. Criteria making a student INELIGIBLE includes codes F-1, F-2, J-1, J-2; students who are in federal loan default; students who receive grant overpayments; or male students who meet Selective Service registration criteria, but are not registered.
Paul Mitchell The School Normal is committed to providing a work and school environment free of unlawful harassment or discrimination. In furtherance of this commitment, all students and employees are required to take the mandatory sexual harassment and prevention training upon starting in school and again in January of each year. The school’s policy prohibits harassment or discrimination based on race, religion, creed, color, national origin, ancestry, sex (including pregnancy, childbirth, or related medical conditions), military or veteran status, physical or mental disability, medical condition, marital status, age, sexual orientation, gender, gender identity or expression, genetic information, or any other basis protected by the federal, state, or local law. Additionally, in accordance with Title IX of the Education Amendments of 1972, the school prohibits discrimination based on sex, which includes sexual harassment and sexual violence, and the school has jurisdiction over the investigation of Title IX complaints.

Title IX applies to all of the school’s educational programs or activities, whether such programs or activities occur on-campus or at an off-campus events. The school's anti-harassment and discrimination policy applies to all persons involved in the operation of the school and prohibits unlawful harassment and discrimination by any employee of the school, as well as students, customers or service guests, third parties, vendors, or anyone who does business with the school. It further extends to prohibit unlawful harassment by or against students.

Any employee, student, or contract worker who violates this policy will be subject to disciplinary action. To the extent a customer or service guest, vendor, or other person with whom the school does business engages in unlawful harassment or discrimination, the school will take appropriate corrective action. The grievance procedure will provide that grievances may be filed about discrimination in any academic, educational, extracurricular, athletic, or other programs operated or sponsored by, or related to, the school, whether the programs take place on the campus of the school, during a school-sponsored field trip, or during other off-campus events.

As part of the school’s commitment to providing a harassment-free working and learning environment, this policy shall be disseminated to the school community through publications such as the school’s catalog, the school’s website, new employee orientations, student orientations, and other appropriate channels of communication. The school will provide training to key staff members to enable them to handle any allegations of discrimination and harassment, including sexual harassment or sexual violence, promptly and effectively. The school will respond quickly to all reports, and will take appropriate action to prevent, to correct, and, if necessary, to discipline behavior that violates this policy.

**Definitions Regarding Sex Discrimination**

*Dating violence* is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship; and the frequency of interaction between the persons involved in the relationship.

*Domestic violence* the definition of “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
Sex discrimination is defined as treating individuals differently on the basis of sex with regard to any aspect of services, benefits, or opportunities the school provides, such as:

- Treating a person differently in determining whether he or she satisfies any requirement or condition for the provision of an aid, benefit, or service.
- Providing different aid, benefits, or services, or providing aid, benefits, or services in a different manner.
- Denying any person an aid, benefit, or service.

- Otherwise limiting any person in the enjoyment of any right, privilege, advantage, or opportunity.

Sexual harassment is defined as conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the school conditioning the provision of an aid, benefit, or service of the school on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient’s education program or activity; or

Sexual violence is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

General Definitions

Actual knowledge means notice of sexual harassment or allegations of sexual harassment to a recipient’s Title IX Coordinator or any official of the recipient who has authority to institute corrective measures on behalf of the recipient.

Campus is defined as any building or property owned or controlled by an institution of higher education within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is used by students, and supports institutional purposes (such as a food or other retail vendor). Under the Final Rule, schools must respond when sexual harassment occurs in the school’s education program or activity, against a person.

Complainant is defined as an individual who is alleged to be the victim of conduct that could constitute sexual harassment. Any third-party, as well as the complainant, may report sexual harassment. While parents and guardians do not become complainants (or respondents); however, the school recognizes the legal rights of parents and guardians to act on behalf of parties (including by filing formal complaints) in Title IX matters.
Consent is informed, voluntary, and revocable. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. It must be given without coercion, force, threats, or intimidation. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.

Corrective measures are defined as actions taken to address a security breach or privacy violation, with the intent to counteract the breach or violation and reduce future risks. The school's owner and School Director are the school's designated officials who have the authority to institute corrective measures.

Formal complaint is defined as a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the school investigate the allegation of sexual harassment.

Non-campus building or property is defined as any building or property owned or controlled by a student organization recognized by the institution; and any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is used by students, and is not within the same reasonably contiguous geographic area of the institution. The purpose of rape shield laws is to protect victims from the emotional distress of being cross-examined about their sexual history on the witness stand. Evidence regarding the victim's reputation and evidence of past sexual behavior not related to the rape accusation at hand is prohibited.

Submission to, or rejection of, such conduct by an individual is used as a basis for decisions concerning that individual’s education or employment; or

Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient’s education program or activity. It creates a hostile or offensive environment, which means the alleged conduct is sufficiently serious to limit or deny a student or student’s ability to participate or benefit from the student’s education program.

Sexual harassment is conduct based on sex, whether directed toward a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented “kidding” or “teasing,” practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies, preferences, or history, and physical contact, such as patting, pinching, or intentionally brushing against another person’s body. Gender-based harassment, including acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

Complaint/Grievance Procedure

The following grievance procedures shall be used to address sex discrimination complaints filed by students/employees or complaints filed on their behalf against employees, other students, or third parties.

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by e-mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. Such a report may be made at any time, including during non-business hours, by using the telephone number or e-mail address, or by mail to the office address, listed below for the Title IX Coordinator. Only a complainant may file a formal complaint that initiates a Title IX grievance procedure.

If you believe that you have experienced or witnessed harassment or sexual violence, you need to notify the Title IX coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employee, contract worker, student, vendor, customer or service guest, or other person who does business with the school is exempt from the prohibitions in this policy. The school Director or Education Leader, if they are informed of a Title IX complaint will refer all harassment complaints to the Title IX coordinator. In order to facilitate the investigation, your complaint should include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A sex discrimination complaint should be filed within seven (7) days from the date of the alleged discriminatory incident in order for the school to take timely and appropriate action. All documentation pertaining to the complaint/grievance process will be confidential. The complaint/grievance once received will be maintained in the Title IX Coordinator’s office, which has limited staff access.

All complaints involving a student, employee, contract worker, vendor, customer or service guest, or other person who does business with the school will be referred to the campus’s Title IX Coordinator to begin the complaint process outline in this policy. The Title IX Coordinator is listed below and has the responsibility of Intake reports and complaints, initiating the formal complaint process, and providing supportive measures to both the complainant and respondent.

If the school has actual knowledge of sexual harassment in an educational program or activity at the school, against a person in the United States, they will respond promptly in a manner that is not deliberately indifferent. A school is considered deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.
The grievant/complainant may use the Title IX Grievance Form, but it is not required, to file a Title IX discrimination complaint.

**Title IX Coordinator:**

The school ensures that its Title IX Coordinator(s), Investigator(s), Decision-Maker(s), and Informal Resolution Facilitator(s) have adequate training on what constitutes sexual harassment, including sexual violence, dating violence, domestic violence, sex discrimination, and stalking, and that they understand how the school's grievance procedures operate. Please refer to the end of this policy for a listing of the various roles of individuals involved in the Title IX process, their responsibilities, and training requirements.

**Reporters**
We encourage all individuals who have a Title IX compliant to meet with the Title IX Coordinator to begin the formal grievance process. If the school Director or Education Leader, who are not Title IX Coordinators, are informed of a Title IX complaint they must notify the Title IX Coordinator of the complaint immediately, as long as they have the Complainant's consent that they can report the incident to the Title IX Coordinator. These are the only school employees that a complainant may discuss Title IX allegations with that are required under the school's policy to be obligated to inform the Title IX Coordinator of information that they received, as long as the Complainant grants that authority. Once any of these reports are notified of complaint allegations the notice triggers the start of the complaint process by the Title IX Coordinator.

**Formal Complaint**
A “formal complaint” is defined as a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the school investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the school. A formal complaint may be filed with the school's Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information located in the school's policy. The phrase “document filed by a complainant” means a document or electronic submission that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.

The Title IX Coordinator will meet with the complainant to explain the process of filing a formal complaint. The complainant must be the alleged victim unless the parent or legal guardian has a legal right to act on their behalf.

Anyone may report a Title IX violation; however, only a complainant may file a formal complaint that initiates a Title IX grievance procedure. The Title IX Coordinator will defer to the complainant's wishes as to whether or not they want to file a formal complaint.

If the Title IX Coordinator is the one who signs and initiates a formal complaint, the Title IX Coordinator is not a complainant or a party during a grievance process and must comply with requirements for Title IX personnel to be free from conflicts of interest and bias.

The school's Title IX Policy provides for a consistent, transparent grievance process for resolving formal complaints of sexual harassment. The school's policy is required to treat complainants equitably by providing remedies any time a respondent is found responsible and treat respondents equitably by not imposing disciplinary sanctions without following the grievance process prescribed in the school's policy. Any remedies, which are required to be provided to a complainant when a respondent is found responsible, will be designed to maintain the complainant’s equal access to education and may include the same individualized services described as supportive measures; however, any remedies imposed do not need to be non-disciplinary or non-punitive and need not avoid burdening the respondent.
Once a formal complaint has been filed, the school will provide a written notice to each of the parties involved, which will include a copy of the school's written Grievance Process, a list of the allegations, including specific information regarding the allegations, and a notice that the parties have a right to an advisor. The advisor should not be a lawyer. If during the investigation additional allegations are investigated, then a new notice must be provided to the parties, which identifies the new issues.

**Grievance Procedure**

The school's grievance procedures are designed to ensure that the Title IX complaint process is free from conflicts of interest and to treat everyone equally during the process, which requires Title IX personnel (Title IX Coordinators, Investigators, Decision-Makers, and people who facilitate any informal resolution process) to be free from conflicts of interest or bias for or against complainants or respondents. In order to accomplish this, we have put into place the following requirements.

1. All Title IX personnel must include training on the definition of sexual harassment, the scope of the school's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

2. The school provides all decision-makers with training on any technology to be used at a live hearing. In addition, the school's decision-makers and investigators receive training on issues of relevance, including how to apply the rape shield protections provided (only for complainants), prior to participating in any Title IX investigation.

3. The federal regulations governing Title IX allegations requires that there is a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The school may remove a respondent from the recipient's educational program or activity on an emergency basis, provided that the school undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal. In the case of a school employee, the school may place the individual on mandatory administrative leave.

4. All of the materials the school uses to train Title IX personnel are located on the school's website under the Required Disclosures section on the home page.

5. Once the hearing takes place, the Decision-Maker may take the following actions against the respondent: dismiss the complaint; place the individual on probation; suspend the individual; terminate the individual; require the individual to go to counseling; change the respondent's schedule; or require the individual to retake the Title IX training.

6. The school may provide the following remedies to a complainant: an escort; removal from shared classes; academic support services, such as tutoring; and medical or counseling services.

7. The school has chosen to use the preponderance of the evidence standard, for all formal complaints of sexual harassment (including where employees and faculty are respondents).

8. Upon completion of the Title IX process, either party may file an appeal of the decision. The school's appeal process is outlined below.

9. Throughout the grievance process the school will not use, rely on, or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

10. All provisions, rules, or practices that are a part of the school's grievance process for handling formal complaints of sexual harassment apply equally to both parties.
To initiate a criminal investigation, reports of sexual violence should be made to “911” or local law enforcement. The criminal process is separate from the school’s disciplinary process. To the extent that an employee or contract worker is not satisfied with the school’s handling of a harassment or discrimination complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief. The school will make appropriate referrals to law enforcement. The school will also notify complainants of the right to proceed with a criminal investigation and a Title IX complaint simultaneously. The school will not wait for the criminal investigation or criminal proceeding to be concluded before beginning its own investigation.

**Investigation of Allegations**

In response to all complaints, the school will ensure prompt and equitable resolution through a reliable and impartial investigation of the allegations, including the opportunity for both parties to present witnesses or other evidence. The school will follow its written grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. During this process the school will not restrict an individual’s rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment, when complying with Title IX.

The federal regulations require a school to investigate sexual harassment allegations in any formal complaint, which can be filed by a complainant, or signed by a Title IX Coordinator. The regulations affirm that a complainant’s wishes with respect to whether the school investigates should be respected unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the wishes of the complainant is not clearly unreasonable in light of the known circumstances.

If the allegations in a formal complaint do not meet the definition of sexual harassment, or did not occur in the school’s education program or activity against a person in the United States, the school must dismiss such allegations for purposes of Title IX but may still address the allegations in any manner the school deems appropriate under the school’s own code of conduct, which is published in the school’s catalog. The school may also dismiss a complaint if: the complainant withdraws the complaint; if the respondent is no longer enrolled or employed at the school; or if circumstances prevent institution from being able to investigate the complaint allegations. In this case, each party needs to be notified that the complaint has been dismissed and the reasons why it has been dismissed.

The time necessary to conduct an investigation will vary based on complexity of the allegation but will generally be completed within sixty (60) days of receipt of the complaint, which includes appeals and informal resolutions, with an allowance for short-term and good cause delays or extensions of the time frame. If a complainant requests confidentiality, the school will take all reasonable steps to investigate and respond to the complaint consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the school will inform the complainant that its ability to respond may be limited.

The preponderance of the evidence standard will apply to investigations, meaning the school will evaluate whether it is more likely than not that the alleged conduct occurred.

During the investigation, the school will provide interim measures, as necessary, to protect the safety and well-being of students and/or employees involved and are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party and to protect the safety of all parties, the school’s educational environment, or deter sexual harassment.

The Title IX Coordinator will promptly contact the complainant confidentially to discuss the availability of supportive measures; consider the complainant’s wishes with respect to supportive measures; inform the complainant of the availability of supportive measures with or without the filing of a formal complaint; and explain to the complainant the process for filing a formal complaint. The school will offer supportive measures, at no cost, to the person alleged to be the victim (referred to as the “complainant”), which may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures to help protect the alleged victim and deter sexual harassment.
The respondent is also eligible for the same supportive measures that the complainant has available. The school will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the school to provide the supportive measures. The school’s Title IX Coordinator is responsible for coordinating the effective implementation of all supportive measures that will be provided before sanctions in any grievance procedure are imposed.

The school will investigate the allegations in any formal complaint and send written notice to both parties (complainants and respondents) of the allegations upon receipt of a formal complaint. The Title IX Coordinator has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose another employee or hire a third-party to conduct the investigation.

During the grievance process, and when investigating the complaint allegations, the school will abide by the following procedures:

1. The school will apply a presumption that the respondent is not responsible during the grievance process (presumption of innocence). The burden of gathering evidence and burden of proof is the responsibility of the school, not on the individual parties.
2. The school will provide equal opportunity for the parties involved to present fact and expert witnesses and other inculpatory and exculpatory evidence. Witnesses cannot be anonymous.
3. The school will not restrict the ability of the parties to discuss the allegations or gather evidence (e.g., no “gag orders”) to support their case.
4. Both parties to the complaint will have the same opportunity to select an advisor of the party’s choice who may be, but need not be, an attorney.
5. The school as a part of the investigative process will send written notice of any investigative interviews, meetings, or hearings to both parties. Any interviews that occur can have both parties’ advisors present.
6. The schools will send the parties, and their advisors, evidence directly related to the allegations, in electronic format or hard copy, with at least 10 days for the parties to inspect, review, and respond to the evidence provided.
7. The school will send the parties, and their advisors, an investigative report that fairly summarizes relevant evidence, in electronic format or hard copy, with at least 10 days for the parties to respond to the report.
8. The school will dismiss allegations of conduct that do not meet the definition of sexual harassment or did not occur in a school’s educational program or activity against a person in the U.S. Such dismissal is only for Title IX purposes and does not preclude the school from addressing the conduct in any manner the school deems appropriate.
9. The school may, in their discretion, dismiss a formal complaint or allegations therein if the complainant informs the Title IX Coordinator in writing that the complainant desires to withdraw the formal complaint or allegations therein, if the respondent is no longer enrolled or employed by the school, or if specific circumstances prevent the school from gathering sufficient evidence to reach a determination.
10. The school will give the parties written notice of a dismissal (mandatory or discretionary) and the reasons for the dismissal.
11. The school may, in their discretion, consolidate formal complaints where the allegations arise out of the same facts or circumstances, whether it is complaints against multiple respondents or by multiple complainants.
12. The school will protect the privacy of a party’s medical, psychological, and similar treatment records by stating that the school cannot access or use such records unless the school obtains the party’s voluntary, written consent to do so.
Live Hearings

The school's Title IX grievance process provides for a live hearing. If the complaint goes to a live hearing, then each party must have an advisor. The appointed Decision-Maker is the individual who will be conducting the hearing. The following conditions will apply for a live hearing:

1. The Decision-Maker(s) must permit each party’s advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those that challenge credibility.

2. Cross-examination at the live hearing must be conducted directly, orally, and in real time by the party's advisor of choice and never by either the complainant or respondent personally.

3. At the request of either party, the school will provide for the entire live hearing (including cross-examination) to occur with the parties located in separate rooms with technology enabling the parties to see and hear each other.

4. Only relevant cross-examination and other questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a cross-examination or other question, the Decision-Maker must first determine whether the question is relevant and explain to the party's advisor asking cross-examination questions any decision to exclude a question as not relevant.

5. The live hearing provides for the opportunity for all parties' advisors to examine and cross-examine witnesses, including challenging the credibility of witnesses. Hearsay statements and irrelevant information are not permitted.

6. The school’s process provides for rape shield protections for complainants deeming irrelevant questions and evidence about a complainant’s prior sexual behavior unless offered to prove that someone other than the respondent committed the alleged misconduct or offered to prove consent.

7. If either party does not have an advisor present at the live hearing, the school will provide, at no cost to that party, an advisor of the school's choice who may be, but is not required to be, an attorney to conduct cross-examination on behalf of that party. Only the advisor may cross-examine the witnesses.

8. If a party or witness does not submit to cross-examination at the live hearing, the Decision-Maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions.

9. Live hearings may be conducted with all parties physically present in the same geographic location or, at the school's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually.

10. As a part of the process, the school will create an audio or audiovisual recording, or transcript, of any live hearing, as a part of the record.
Final Determination of the Investigation

The school's grievance process uses the preponderance of the evidence standard to determine responsibility. The school's grievance process uses the same standard of evidence for all formal complaints of sexual harassment whether the respondent is a student or an employee (including faculty member). The Decision-Maker(s) in the process are required to objectively evaluate all relevant evidence, inculpatory and exculpatory, and avoid credibility determinations based on a person's status as a complainant, respondent, or witness.

The Decision-Maker in all instances cannot be the Title IX Coordinator or the investigator in order to ensure that the investigative process is fair and free of bias. The Decision-Maker will issue a written determination regarding responsibility with findings of fact to include the following:

1. Must identify the standard of evidence used based on the school’s written policy.
2. Identify the allegations that constitute sexual harassment.
3. Describe the procedures the school used from the filing of the formal complaint through the hearing process.
4. Make findings of fact and conclusions about whether the alleged conduct occurred, rationale for the result as to each allegation.
5. Include the imposition of any sanctions or disciplinary actions imposed on the respondent, and whether any remedies will be provided to the complainant.
6. State the procedures to file an appeal and the allowable bases for an individual to appeal the decision.
7. Upon conclusion the written determination will be sent simultaneously to the parties.
8. The Title IX Coordinator is responsible for implementation of any remedies imposed by the Decision-Maker.

Appeal Process

The school will allow either or both parties the opportunity to appeal the Decision-Maker's determination regarding responsibility from a school's dismissal of a formal complaint or any allegations therein. Either party can appeal based on the following:

1. Procedural irregularity that affected the outcome of the matter;
2. Newly discovered evidence that could affect the outcome of the matter; and/or
3. The Title IX personnel had a conflict of interest or bias, that affected the outcome of the decision.

Informal Resolution

The school provides the opportunity for the parties involved in the formal complaint allegations to facilitate an informal resolution, such as mediation, so long as both parties give voluntary, informed, written consent to attempt an informal resolution. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. The school will provide written notice to the parties of the allegations, requirements of the resolution process, and any limitations.

If the complaint allegations are in regard to an employee of the school sexually harassing a student, the opportunity for an informal resolution is not available.

A school may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to a formal investigation and adjudication of formal complaints of sexual harassment. Similarly, a school may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed.
Retaliation Prohibited

The school prohibits any form of retaliation, intimidation, threats, coercion, discrimination, or harassment against any individual who filed or otherwise participated in the filing or investigation of a complaint of discrimination. Actions do not have to be on the basis of sex or involve sexual harassment to constitute retaliation. Retaliation complaints may use the same grievance process as sexual harassment complaints. Any individual who believes he or she has been subjected to retaliation may file a separate complaint under this procedure. The school will keep confidential the identity of complainants, respondents, and witnesses, except as may be permitted by FERPA, as required by law, or as necessary to carry out a Title IX proceeding, which does not constitute retaliation.

The following circumstances do not constitute retaliation, including:

1. Exercising one's rights protected under the First Amendment.
2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX grievance proceeding does not constitute retaliation; however, a determination regarding responsibility, alone, is not sufficient to conclude that any party made a bad faith materially false statement.
3. Charging an individual with code of conduct violations that do not involve sexual harassment but arise out of the same facts or circumstances as a report or formal complaint of sexual harassment; however, for the purpose of interfering with any right or privilege secured by Title IX does constitute retaliation.

Reporting Requirements

Victims of sexual misconduct should be aware that school administrators must issue timely warnings for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. The school will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. The school reserves the right to notify parents/guardians of dependent students regarding any health or safety risk or a change in student status. The school will also notify the local police department of any crimes that have been brought to their attention.

Any allegations or violations of Title IX will be reported to the school's Clery Act coordinator to be included in the school's annual reporting requirements.

Record Keeping

All records of the Title IX formal complaint including, the investigation, evidence, decision making process, hearings, and decision letters will be maintained by the school for at least 7 years.

Required Training

The school's Title IX Coordinator, Investigator, Decision-Maker, or any person designated by the school to facilitate an informal resolution process, must not have a conflict of interest or bias for or against complainants or respondents generally, or an individual complainant or respondent. Each individual that is part of the Title IX process is required to take training that includes how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Part of the required training is to ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the school's education program or activity, how to serve impartially, how to make relevancy determinations, how to conduct an investigation and grievance process including hearings, appeals and informal resolution.
The school will provide the Decision-Maker(s) with training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the complainant’s sexual predisposition or prior sexual behavior are not relevant. The school will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. Any materials used to train Title IX Coordinators, Investigators, Decision-Makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment.

Additional Information
Employees and students may contact the Title IX coordinator with any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights ("OCR") investigates complaints of unlawful harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the parties. For more information, visit the OCR website at: http://www2.ed.gov/about/offices/list/ocr/index.html.
STUDENT BIOMETRIC INFORMATION PRIVACY POLICY

Paul Mitchell The School Normal records attendance in clock hours. To ensure proper clock hours are credited, students are required to clock in and out utilizing a biometric scanner in accordance with the CourseKey policy. Biometric scanners are computer-based systems that scan a student’s finger or facial identifier for purposes of identification. The computer system extracts unique data points and creates a unique mathematical representation used to verify a person’s identity. Paul Mitchell The School Normal or its vendors may collect, retain, and use biometric data for the purpose of identifying students when recording clock hours.

Biometric Data Defined

As used in this policy, biometric data is “biometric identifiers” and “biometric information” as defined in the Illinois Biometric Information Privacy Act, 740 ILCS § 14/1, et seq.

“Biometric identifier” means a retina or iris scan, fingerprint, voiceprint, or scan of hand or face geometry. Biometric identifiers do not include writing samples, written signatures, photographs, human biological samples used for valid scientific testing or screening, demographic data, tattoo descriptions, or physical descriptions such as height, weight, hair color, or eye color.

“Biometric information” means any information, regardless of how it is captured, converted, stored, or shared, based on an individual’s biometric identifier used to identify an individual. Biometric information does not include information derived from items or procedures excluded under the definition of biometric identifiers.

Purpose for Collection of Biometric Data

The School does not collect or store biometric data. At this time, the School’s third-party time clock vendor may collect and store an individual’s biometric identifier (for example, fingerprint or facial identifiers), solely for identification in connection with the use of the biometric time clock. The School’s third-party time clock vendor will retain biometric data of an only for so long as the person is an enrolled student. The biometric data shall be permanently removed from the records of the School’s vendors and licensors in accordance with the retention schedule set forth herein.

Disclosure and Authorization

Each student will be required to sign the Release and Consent to Use of Biometric Data as a condition of his/her enrollment with the School.

The School and its time clock vendors will not sell, lease, trade, or otherwise profit from students’ biometric data; provided, however, that the School’s time clock vendor will be paid for products or services used by the School that utilize such biometric data.

The School will not disclose or disseminate any biometric data to anyone other than its time clock vendors without first obtaining student’s written consent to such disclosure or dissemination unless disclosure or redisclosure is required by state or federal law or municipal ordinance or required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

Retention Schedule

The School shall retain a student’s biometric data only until, and shall require that its time clock vendors permanently destroy such data when, the first of the following occurs:

1. Within thirty (30) days after the initial purpose for collecting or obtaining such biometric data has been satisfied, such as the withdrawal or graduation of a student; or
2. Within 3 years of the student’s last interaction with the School.
Data Storage
The School and its time clock vendors shall use a reasonable standard of care to store, transmit and protect from disclosure any paper or electronic biometric data collected. Such storage, transmission, and protection from disclosure shall be performed in a manner that is the same as or more protective than the way the School or its time clock vendors transmit and protect from disclosure other confidential and sensitive information, including personal information that can be used to uniquely identify an individual or an individual's account or property, such as driver's license numbers and social security numbers.
HARASSMENT, INTIMIDATION, BULLYING, AND DISCRIMINATION POLICY

Paul Mitchell The School Normal is committed to maintaining a working and learning environment that provides for fair and equitable treatment, including freedom from bullying, harassment, intimidation, and discrimination of any kind. This policy includes anyone who engages in such behavior on school property, at school activities, or an electronic act through the use of cell phones, computers, personal communication devices, or other electronic gaming devices.

Harassment, intimidation, bullying, and discrimination may take many forms, including verbal aggression and name calling; inappropriate comments; inappropriate images; physical aggression; relational aggression; graphic and written statements, which may include use of cell phones, computers, or gaming systems; any insensitive materials and other conduct that may be physically threatening, harmful, or humiliating. Harassment, intimidation, bullying, and discrimination include intent to harm, they are directed at a specific target, and typically involve repeated incidents. Harassment, intimidation, bullying and discrimination create a hostile environment and will not be tolerated in Paul Mitchell Schools.

Such conduct or communication has the purpose or effect of substantially interfering with an individual’s work or school performance and creates an intimidating, hostile, or offensive work or school environment. Harassment, intimidation, bullying and discrimination can interfere and limit a person’s ability to participate in or benefit from the education, services, activities, or opportunities offered by the Paul Mitchell School. Administration will take prompt, equitable, and remedial action (including but not limited to requiring sensitivity training, probation, suspension, expulsion, or termination) on all reports and complaints that come to the attention of school personnel, either formally or informally. Allegations of any policy violation will be investigated and handled appropriately based upon the findings, including reporting any criminal activity to the appropriate law enforcement agency.

Engaging in harassment, intimidation, bullying or discrimination will result in appropriate discipline or other appropriate sanctions against offending students, staff, service guests, third-party vendors, or contractors. Anyone engaging in these behaviors on school property or at school activities will have their access to school property and activities restricted or revoked, as appropriate.

The school shall respect the confidentiality of the complainant and the individual(s) against whom the complaint is filed as much as possible, consistent with the school’s legal obligations, state laws and policies, and the necessity to investigate the allegations and take disciplinary and/or restorative action to resolve the problem.

Retaliation is prohibited against any person who makes a complaint or who is a witness under this policy and will result in appropriate disciplinary action against the person responsible for the retaliation. Individuals who knowingly report or corroborate false allegations will be subject to appropriate disciplinary and/or restorative action. Each staff member is responsible for immediately reporting alleged harassment, intimidation, bullying or discrimination to his/her supervisor or other appropriate school personnel. Staff members who fail to take prompt action to report allegations or violation(s) of this policy may be subject to disciplinary and/or restorative action up to and including termination.

Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the U.S. Copyright Office at [www.copyright.gov](http://www.copyright.gov).

Another reason to be careful with file-sharing programs is that the installation procedures for most of them enable default open access worldwide to information on your system; thus, the integrity of your computer and personal information can be compromised through illegal file sharing, including making you vulnerable to identity theft.

Paul Mitchell The School Normal has a Firewall/Router/Internet Bandwidth Shaping, Network Monitoring, and Routing that blocks Illegal File Sharing Sites to prevent students, staff and guests from copyright infringement.

Students are personally responsible for the content they publish on social networking sites. Students are expected to treat each other with fairness and respect, consistent with the Paul Mitchell Schools culture.

Paul Mitchell Schools does not permit ethnic slurs, personal insults, obscenity, intimidation, cyber bullying, harassment or engaging in conduct that would be unbecoming of a Paul Mitchell Future Professional and misrepresent Paul Mitchell culture. Paul Mitchell The School reserves the right to request the removal of any posts at its discretion and take necessary disciplinary action as appropriate.

ALCOHOL AND DRUG-FREE EDUCATIONAL FACILITY POLICY

The School is concerned about the use of alcohol and drugs in the educational facility. This concern is based upon the effect that those substances have on a person's judgment, performance, safety, and health.

The School prohibits the possession, use, or being under the influence of alcohol or an illegal substance on School premises or at a School activity.

This prohibition includes drugs which (a) are not legally obtainable or (b) are legally obtainable but have not been legally obtained. The prohibition also includes prescribed drugs not legally obtained and prescribed drugs not being used for the prescribed purposes.

In order to enforce this policy, the School reserves the right to search all School premises, including classrooms, administrative offices, corridors, storage rooms, and parking lots. The School also reserves the right to search all employee and student property on School premises or at School activities, including but not limited to backpacks, purses, handbags, lockers, and vehicles parked on School property. The School also reserves the right to implement other measures necessary to deter abuse of this policy. Failure or refusal to cooperate may be grounds for disciplinary action, including expulsion from the School or termination for employees.

GRIEVANCE PROCEDURE

This Grievance Procedure will be used to process a written grievance or complaint concerning discrimination, bullying, harassment, or any other grievance that a complainant feels have been left unresolved against a student, employee, or third-party. The grievance or complaint will be referred to the School Director and/or School Owner. The following grievance procedures shall be used to address a grievance filed by students or employees, or for complaints filed on their behalf against employees, other students, or third parties. A copy of the Grievance form may be obtained from the school's Director; however, you may also provide a written complaint by other means as long as it is signed and dated.

In order to facilitate the investigation, the complaint should include details of the incident or incidents, dates and times, names of the individuals involved, and names of any witnesses. A complaint should be filed within seven (7) days from the date of the alleged incident in order for the school to take timely and appropriate action. The complaint once received will be maintained in the Director's office, which has limited staff access. The school Director has the responsibility of investigating the complaint allegations; however, if it is in the best interest of the parties involved the school may choose another employee.

The time necessary to conduct an investigation will vary based on complexity of the allegation(s) but will generally be completed within fourteen (14) days of receipt of the complaint. If a complainant requests confidentiality, the school will take all reasonable steps to investigate and respond to the complaint consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the school will inform the complainant that its ability to respond may be limited.

All complaints involving a student, employee, contract worker, vendor, customer service guest, or other person who does business with the school will be referred to the school's Director. The Director will begin the complaint process outline in this policy.
Investigation of Allegations

The school will investigate all complaints received. The school’s grievance procedures are designed to ensure that the complaint process is free from conflicts of interest.

1. During the grievance process each individual is consider innocent of the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The school may remove an individual from the school on an emergency basis, provided that the school undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations justifies removal and provides the individual with notice and an opportunity to challenge the decision immediately following the removal. In the case of a school employee, the school may place the individual on mandatory administrative leave.

2. All provisions, rules, or practices that are a part of the school’s grievance process for handling formal complaints apply equally to both parties.

3. The school will make appropriate referrals to law enforcement, if necessary. The school will also notify complainants of the right to proceed with a criminal investigation, while the school conducts its own investigation simultaneously. The school will not wait for the criminal investigation or criminal proceeding to be concluded before beginning its own investigation and acting on the evidence obtained.

4. The school will dismiss allegations of conduct that do not meet the school’s written policies.

5. The school will provide equal opportunity for the parties involved to present facts, documentation, and witnesses. Any witnesses listed will be interviewed by the school Director.

6. The school may, in their discretion, dismiss a complaint or allegations therein if the complainant informs the Director in writing that the complainant desires to withdraw the formal complaint or allegations therein, if the individual is no longer enrolled or employed by the school, or if specific circumstances prevent the school from gathering sufficient evidence to reach a determination. If the complaint is dismissed, the school will give the parties written notice of a dismissal of the complaint and the reasons why.

7. The school may, in their discretion, consolidate complaints where the allegations arise out of the same facts or circumstances, whether it is complaints against multiple individuals.

8. Upon conclusion of the investigation into the allegations, the Director will provide a written determination to all parties, as to the final decision and any actions taken.

Students should follow the above process; however, the student may, at any time, file a complaint with the school’s accrediting agency, or the U.S. Department of Education.
