Subject: Policy on distribution of CARES Grant funds to students

To address the pressing financial need of higher education schools and students due to the disruption of campus operations from coronavirus, Paul Mitchell The School Spokane received a grant in the amount of 149,063.00 from the U.S. Department of Education. The funds must be used to cover expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance, such as food, housing, course materials, technology, health care, and childcare). Students attending campus in Paul Mitchell The School Spokane must meet the following criteria to receive funds from this grant:

1. Only students who are or could be eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, as amended (HEA), may receive emergency financial aid grants. 2. Must be currently enrolled in a Title IV eligible program during the Application period between March 11-March 24, 2021
3. Must be 18 years or over, or if younger, currently receiving Title IV assistance.
