THE COSMETOLOGY PROGRAM

Get ready to start a career you love.
Paul Mitchell Schools offer student teams that let you connect with like-minded Future Professionals while building your leadership and teamwork skills.
WHO WE ARE

Paul Mitchell Schools are dedicated to providing a unique, multifaceted education that prepares our students (or as we call them, Future Professionals) for careers in the beauty and barbering industries. By providing a strong educational foundation, we empower Future Professionals to pursue excellence in their future careers. Our additional pillars of fairness, equity, inclusion, anti-racism and social justice drive our classrooms, Future Professionals and team members to pursue success.

MORE THAN A SCHOOL, WE’RE A COMMUNITY

At Paul Mitchell Schools, we take pride in our education and recognize that our most important assets are our Future Professionals and team members. No matter who you are, where you come from or what you’re pursuing, you are welcomed at Paul Mitchell Schools.
OUR HISTORY

In 1980, Paul Mitchell and John Paul DeJoria launched the Paul Mitchell® brand to support the success of hairdressers and provide luxury hair care at an affordable price. Twenty years later, education remained at the forefront of the two friends’ vision when the company partnered with motivational speaker and business expert Winn Claybaugh to open the first Paul Mitchell School in 2001. Today, Paul Mitchell Schools have grown to over 100 locations across the country.

WINN CLAYBAUGH
Dean & Co-Founder, Paul Mitchell Schools
A top industry speaker, author, philanthropist, and successful school owner since 1984, Winn has helped generations of professional hairdressers achieve success. His “new school” leadership style and “Be Nice” philosophy form the core values of our schools, ensuring that excellence and inclusivity remain at the heart of our culture.

JOHN PAUL DEJORIA
Co-Founder & Chairman of the Board, John Paul Mitchell Systems®
After founding the Paul Mitchell brand with legendary stylist Paul Mitchell and just $700, John Paul exemplifies the American Dream. Rising from humble beginnings in Los Angeles to becoming a billionaire entrepreneur and philanthropist, John Paul uses his talents to help others find success.
A Paul Mitchell School education offers the skills you need to succeed, including technique, artistry, business skills, career resources, advice, contacts and support. Our visual, hands-on curriculum prepares you for the real world. Additional opportunities to advance your education include Honors-level courses, Dean’s List, career fairs, fashion shows, industry events, student teams and much more.

*Each Paul Mitchell School offers unique learning opportunities. Contact your school for more information about its various options.*
Get ready to start a career you’ll love!

In the Cosmetology program, you’ll learn how to turn your creativity into a career as your Learning Leaders guide you through the program’s three levels—Core, Adaptive and Creative. You’ll take on more advanced techniques and build real-world skills and confidence as you move through each level.

In addition to cutting, coloring, perming, styling and finishing, you’ll learn effective goal setting, business fundamentals and financial management, setting you up for a well-rounded career in the industry.
Additional Skills You’ll Learn:

- Precision haircutting
- Coloring, styling, makeup
- Working on various hair textures and formations
- Professional development skills
- Career planning and strategy
- And much more!

“THE WAY THEY TEACH, THEY MAKE SURE EVERYBODY IS LEARNING. THEY’RE ALWAYS GETTING YOU UP AND MOVING, MAKING LEARNING FUN AND REALLY HANDS-ON.”

LEXI
During Core, you’ll discover the Paul Mitchell Schools’ culture and the theoretical and practical fundamentals of cutting, color, texture, styling and nail and skin spa services. In our safe classroom environment, you’ll develop hands-on skills as you practice on mannequin heads and receive personal attention from Learning Leaders who guide you every step of the way.

LEVEL 2: ADAPTIVE

At the Adaptive level, the learning continues in the classroom and on the clinic classroom floor, where you’ll practice the fundamental skills you learned in Core. With oversight and support from your Learning Leaders, you’ll practice on live models in a salon-like environment, learn how to conduct client consultations and improve your skills with professional products.
LEVEL 3: CREATIVE
In the Creative phase, you’ll expand your skills and learn more advanced and creative techniques. Here, you’ll prepare for the real world by practicing more independently under conditions similar to those in a salon. You’ll develop your speed, build a résumé and portfolio and prepare to pass the state board test.

PHASE TWO
For Future Professionals who want to be challenged to your highest level of performance, Phase Two is an optional course of intensive study within the Cosmetology program. Phase Two students receive advanced training and participate in conditions that mimic real salons. By planning, managing and setting team goals, you’ll learn to create your own success.

THE MAKEUP PROGRAM
The Cosmetology program covers foundational techniques for a variety of makeup applications. Select locations offer an in-depth Makeup program to prepare you for a career as a professional makeup artist. This in-depth program goes beyond the foundational techniques and explores advanced applications that may include airbrushing, prosthetics, runway and high-fashion applications. You’ll learn directly from experienced Makeup instructors.
You’re never alone when you’re a Paul Mitchell Future Professional. During your education and in your career, you’ll find support from your school and community, along with inspiration, career advice, professional tips and more from our global network of mentors.
OUR TEAM
Here are a few people who will support your journey:

- **Director**
  Manages the day-to-day operations of the school and creates a safe, inclusive learning space for happy, successful Future Professionals.

- **Learning Leader**
  Guides your learning journey in the classroom and clinic classroom. Learning Leaders are well-trained mentors who help you develop your guest and practical service skills.

Paul Mitchell Schools are based around a culture of giving back, bringing out the best in people and making a difference in the world. Our Future Professionals and team members are making a difference, one good deed at a time, all while receiving a solid educational foundation that will carry them throughout their careers.

Giving back is so much fun, we call it FUNraising! Through thousands of events, from cut-a-thons and fashion shows to car washes and bake sales, we’ve raised over $22 million for local and national charities since 2004. Discover a few of the charities we support by visiting paulmitchell.edu/giving-back.
